1 A Wave for Friends—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

2 Pioneer in Space—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

3 Medicare Bill Signed—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

4 Temporary Mood—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

5 Double Space Spectacular—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

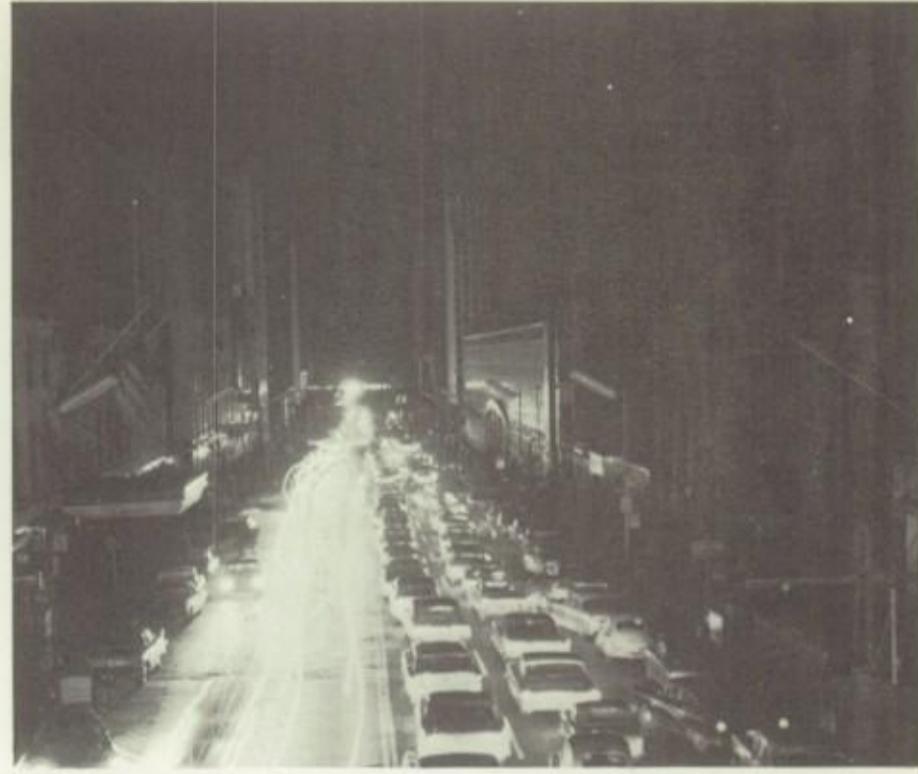

6 Plea for Peace—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

7 After Surgery—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

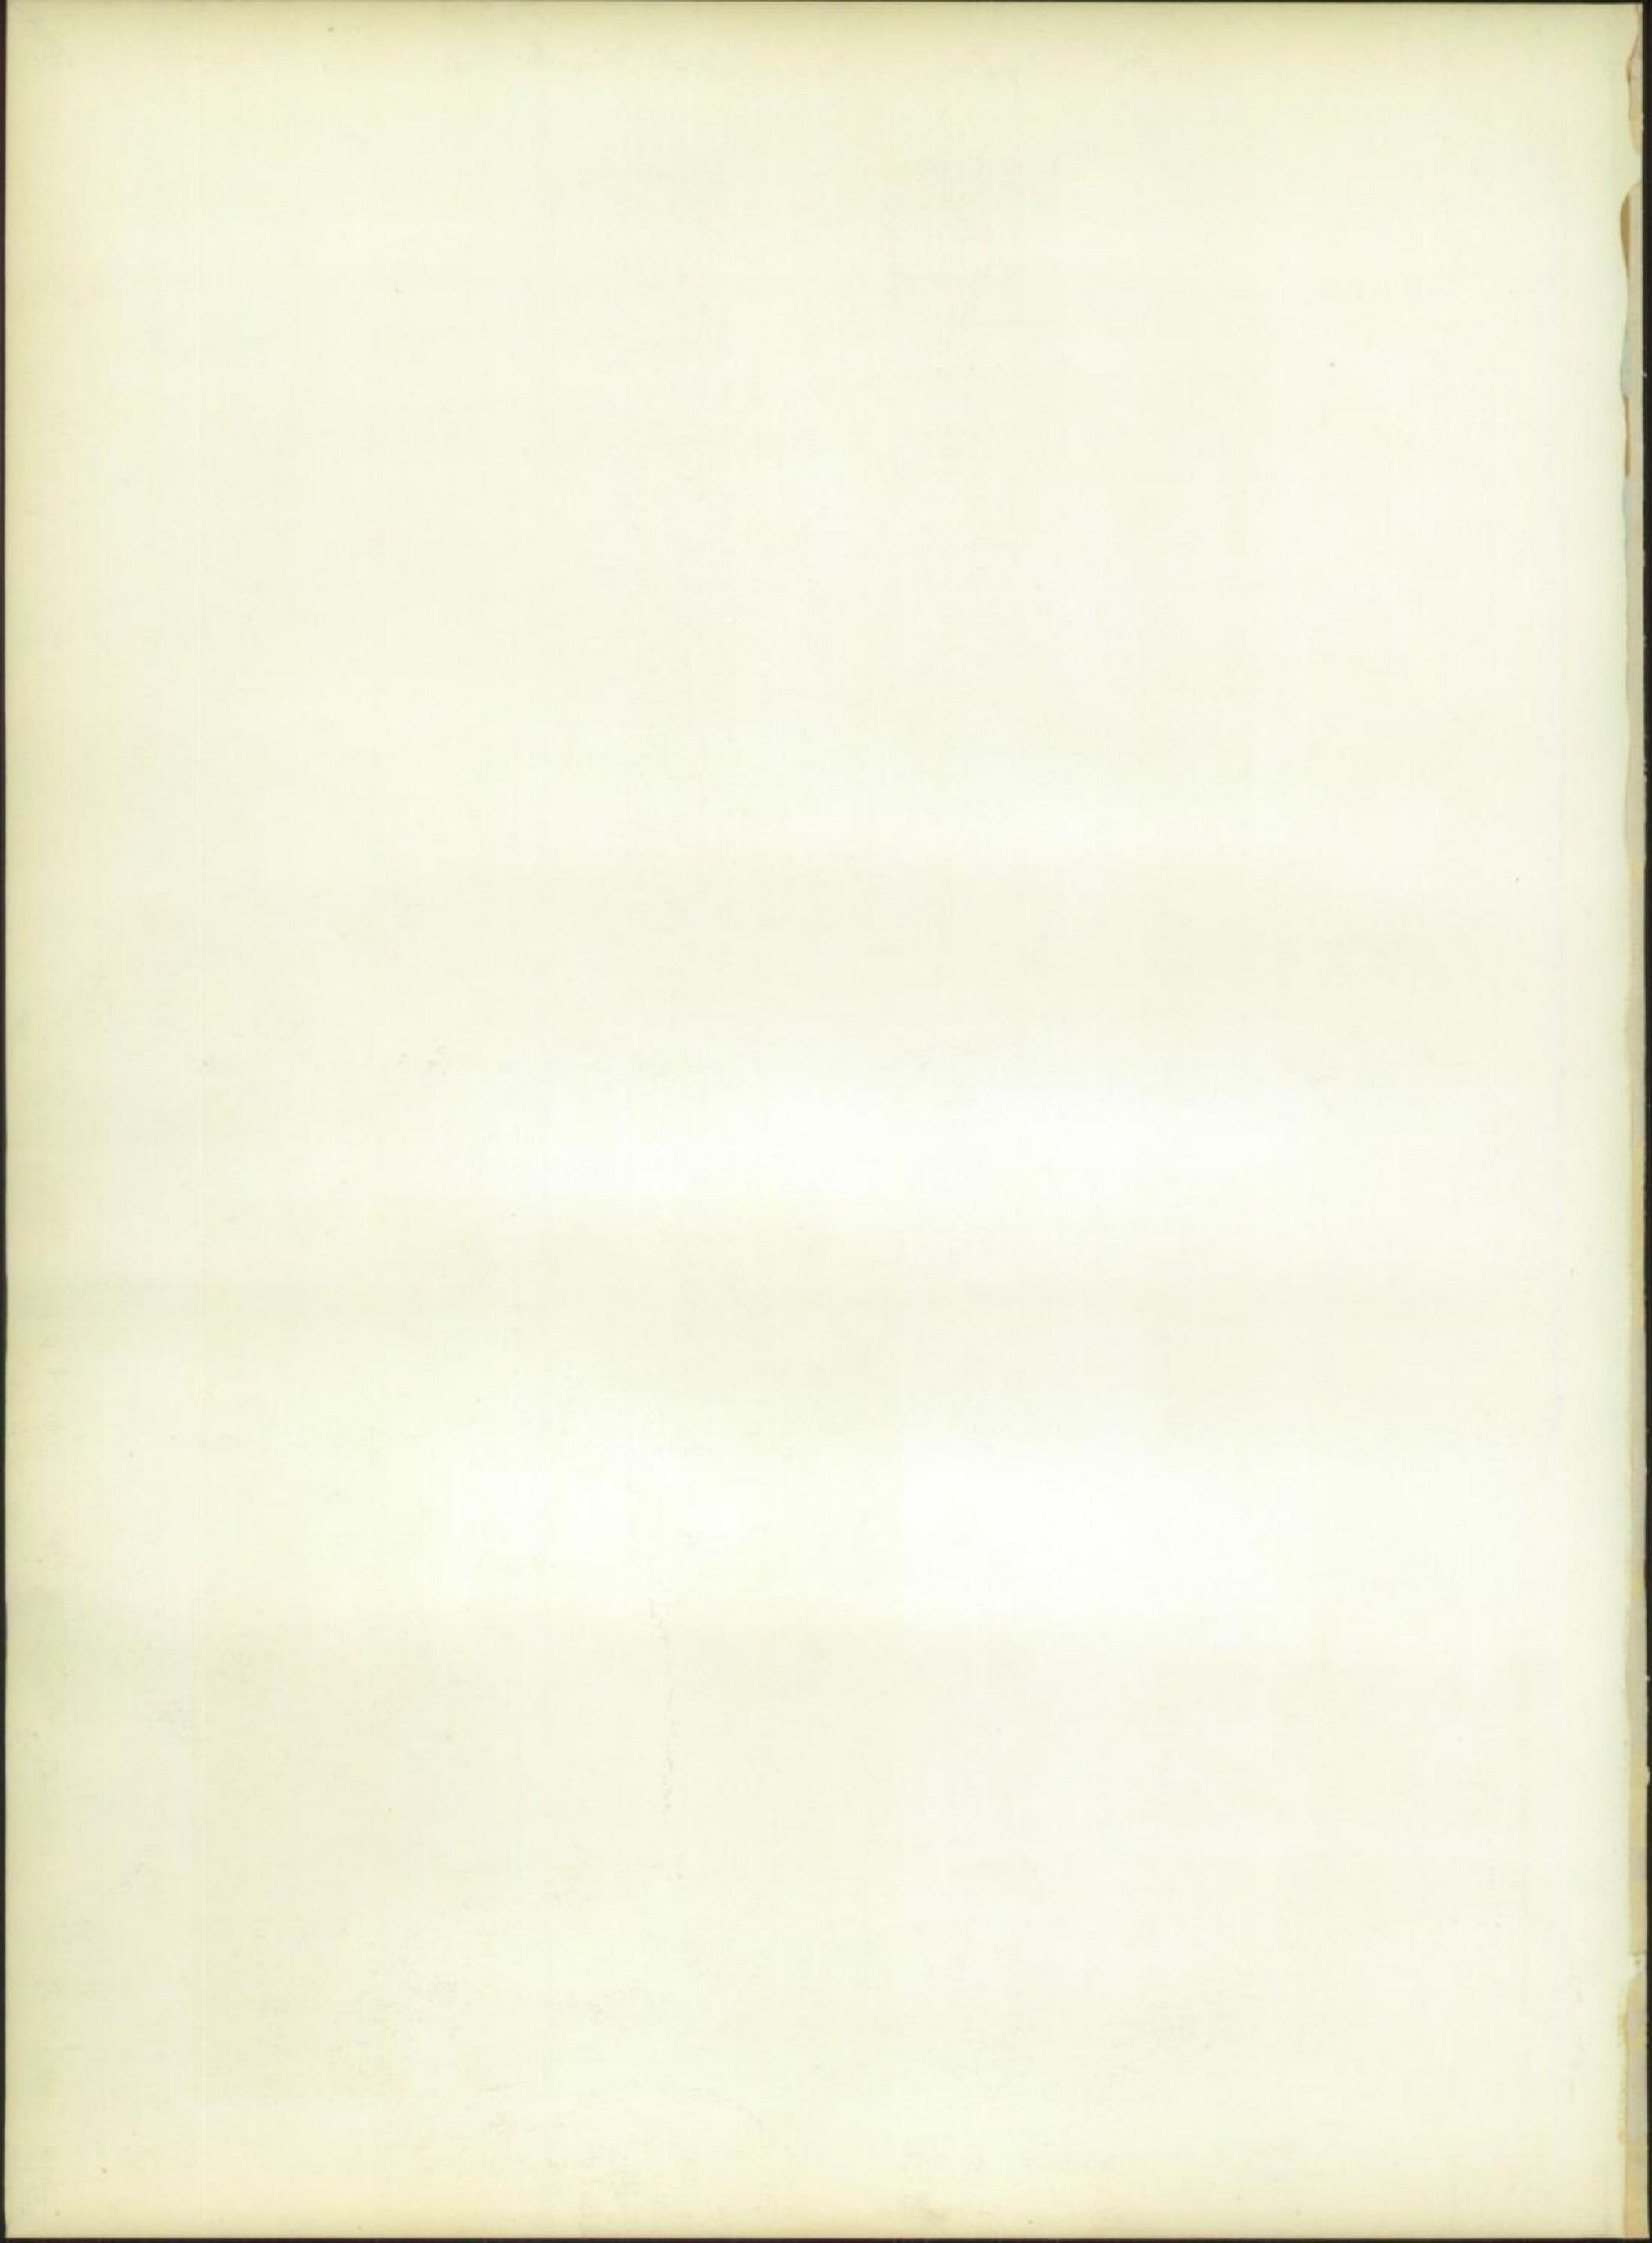

8 Proud Student—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

9 Blackout—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10 New Ambassador—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

11 Startling Fashions—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

12 Royalty on Tour—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

Representing various activities, these students reveal that school is more than a classroom.

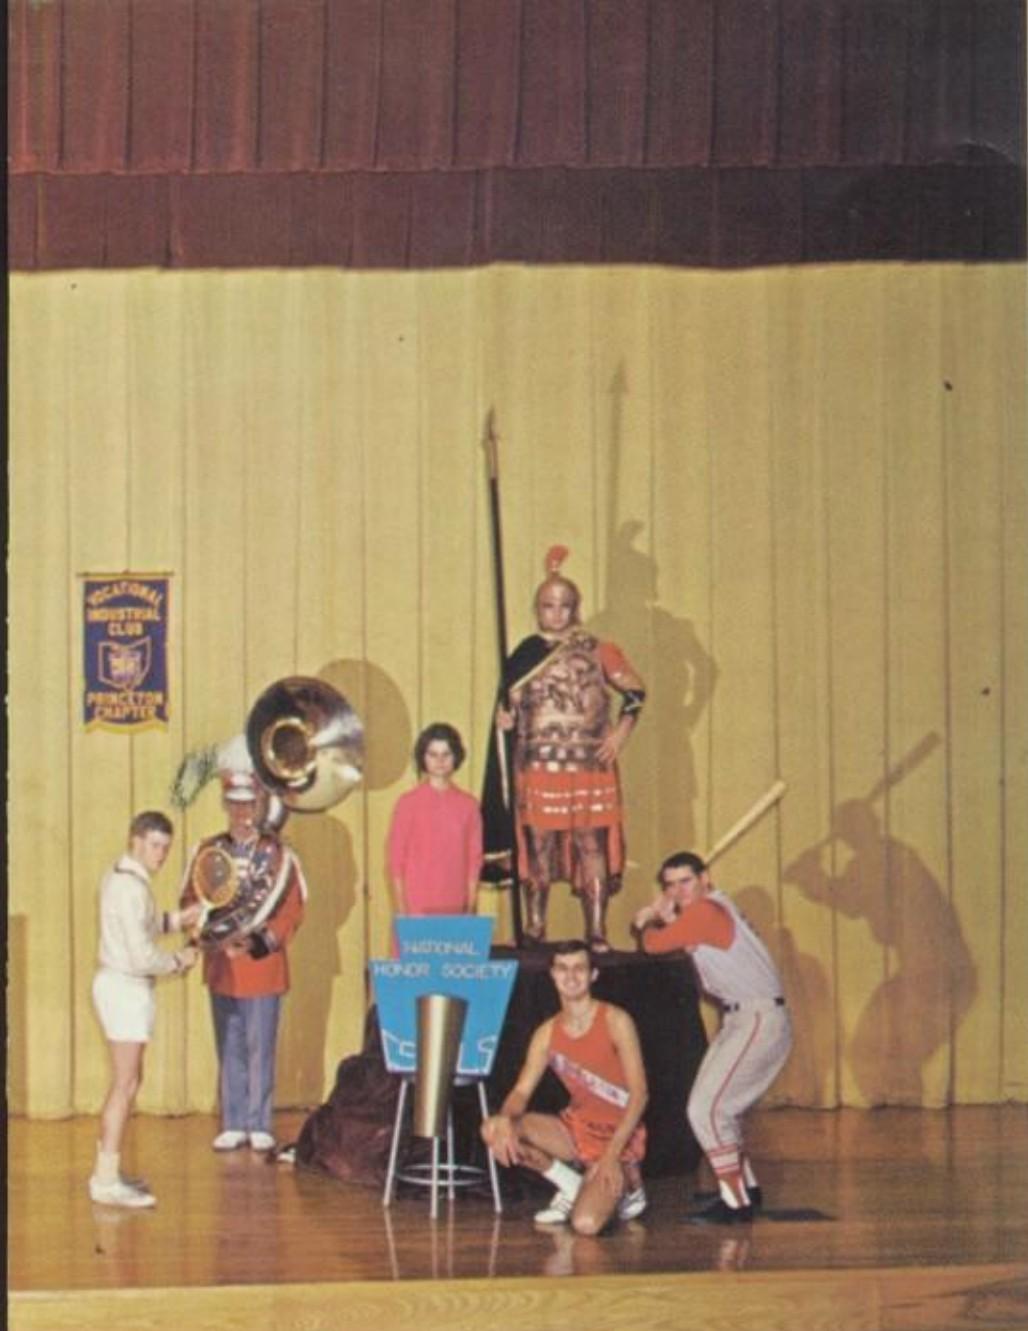

365 Days a Year . . .

Reaching beyond hours of formal schooling within the classroom, a student's strides toward knowledge continue throughout the year. These steps lead him through summer jobs and summer study. They guide him throughout the year into extracurricular services useful to his school and to his community. In a word, steps toward full maturity lead the student into a challenging undertaking that continues . . . 365 days a year.

C. Pyles, V. Fogelman, K. Cole, L. Lowsdale spend some summer hours getting ready for the first football performance, against Moeller on September 10.

Days of Preparation . . .

An important part of a successful life is preparing. We prepare for short periods of time, while future plans take considerable amount of thought. We prepare for the coming day, the coming season, and the coming performance. We not only prepare for ourselves but for others as well. Helping others learn and prepare for the future can be very rewarding. As with knowledge, preparation increases with age.

Patience on the part of Dianne Ballinger helps young drivers learn early and avoid the rush to drivers' education while she spends July and August at Tri-County's "Safety Town."

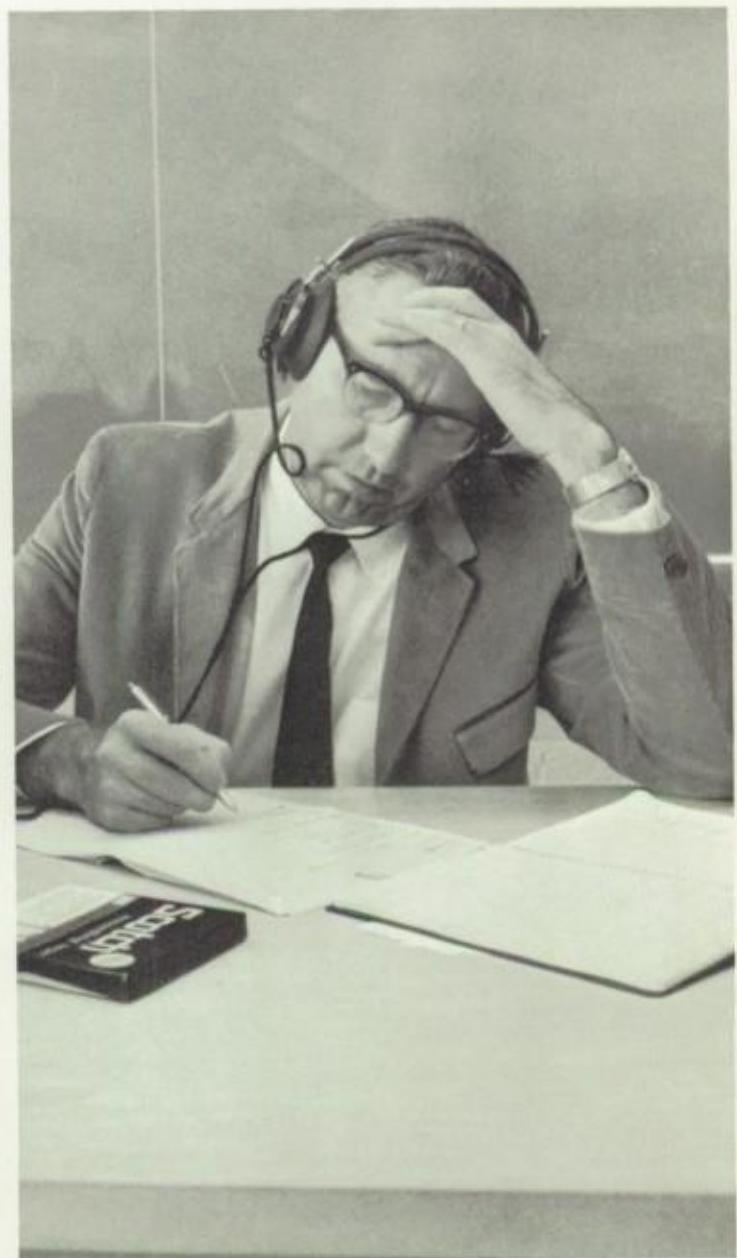

Repairing old books requires much time and effort throughout the summer.

Senior Vince Glover proves that preparation does pay off. Remember the Wyoming game!

Preparing for the next day consumes much of Mr. Ziegler's time in guiding Latin and Russian students.

Victorious Vikings "whoop it up" following their 20—0 victory to end the Wyoming 42-game winning streak.

Days of Achievement . . .

A happy laugh, a rewarding compliment and a huge smile are results of achievement. We have all experienced one of these feelings at some time in our high school days. Maybe the achievement was winning an award, becoming president of a club, receiving an "A" on a difficult math test, beating an undefeated team or becoming queen or king. Whatever the situation, a sense of pride swells in our heart.

Princetonians feel a sense of pride and achievement in beating the undefeated Cowboys of Wyoming. We can see what it takes to succeed: determination and teamwork.

The highlight of the football season is the annual crowning of the King and Queen. The finale of the Homecoming festivities was the Homecoming dance, which will never be forgotten.

Opposite page: Homecoming Queen Debbie Guy and King Mike Donley will never forget the memorable Homecoming evening.

Left: After many hours of rehearsal, every actor and actress enjoys the reward of performance—a tribute to study in summer theater classes.

Days of Striving . . .

Striving is an important part of our extra-curricular activities as well as of our studies. Our efforts are packed with determination and with motives in many areas.

We try to perfect the techniques which we have already attained. We strive for perfection for present demands and for future use. We put forth our best effort when competing for an office of an organization. We struggle to achieve those extra points that make the difference between victory and defeat. We use reserve energy and effort when helping our teams break ties to win a championship. We stretch our minds to go out into the indefinite future to search for new paths that will better our lives. Above all, we strive to know and understand the people with whom we are associated.

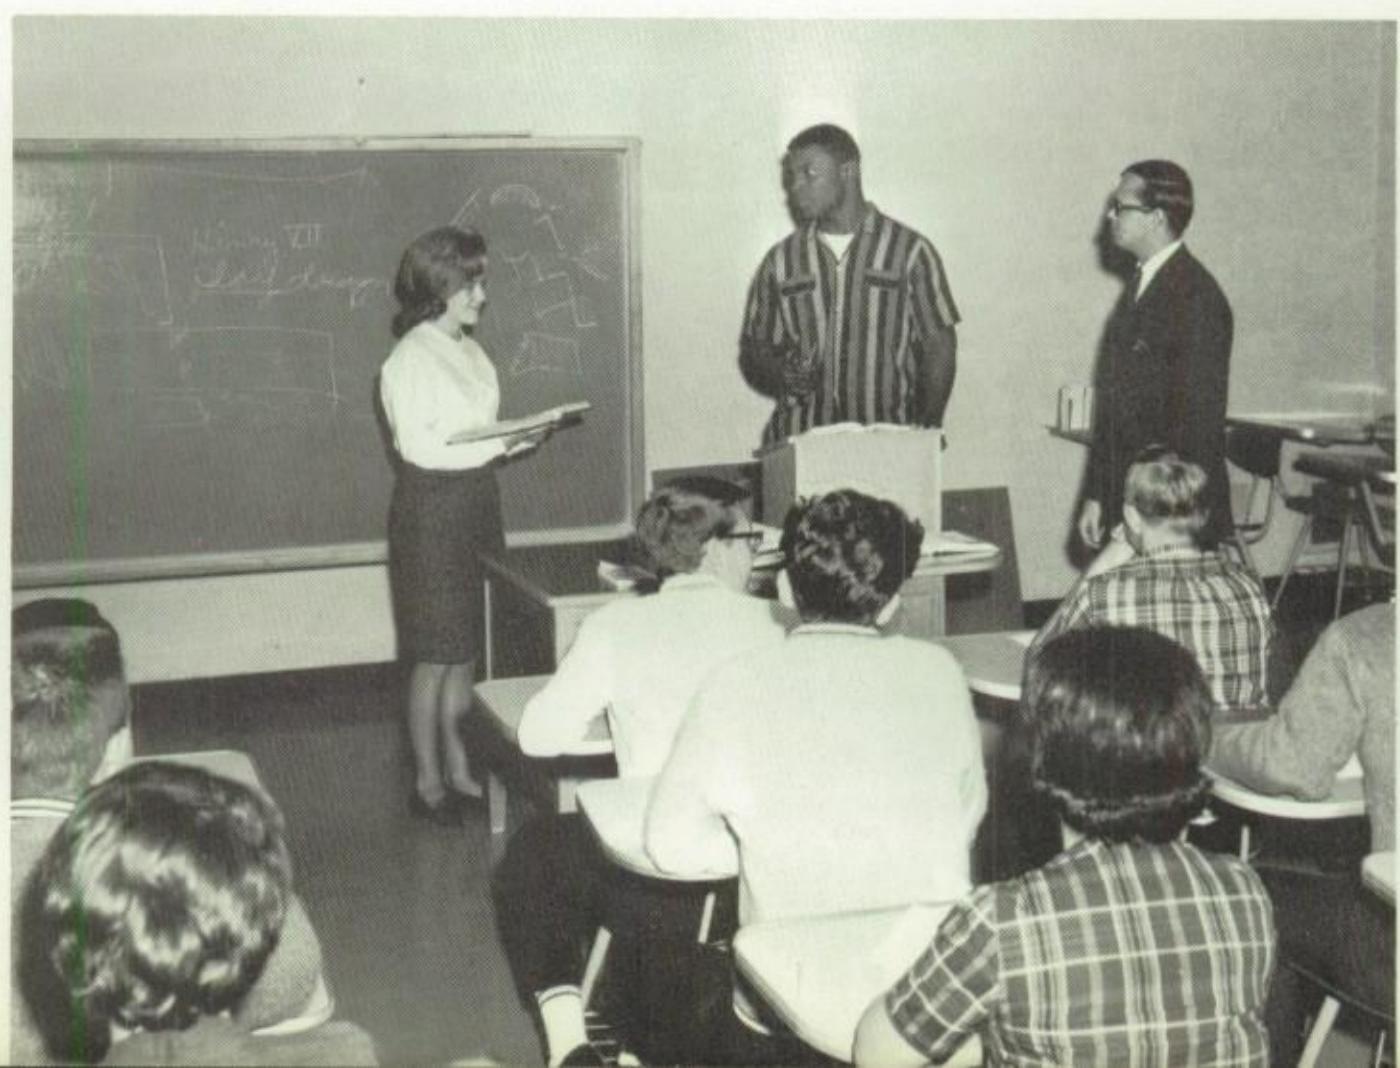

All of this adds to make the world a better place in which to live.

Perfecting electronic techniques can determine the final product as well as the final grade.

Excellence in speaking takes practice and effort on the part of students.

Jumping for those two points requires much energy, strength, and a lot of rousing encouragement from the pep section.

Left: Captain Bev Steight uses half of her energy before the game at a pep assembly, striving for more school spirit among the student body.

Art is like any other subject. It takes knowledge, skill, and a special love of learning.

Days of Learning . . .

Learning does not stop when we go through the glass doors of Princeton into the oncoming world, nor does it stop at a certain age. Learning begins early in life and continues till death.

In our homes we learn to grow up and accept some things by experience.

We tend to excell naturally in some things, while for others we need acquired knowledge and experience.

During summer band, we learn to acquire a new taste and love of music.

We gain knowledge in classes that can be very useful to our future successes.

We gain experience in sportsmanship on the athletic field.

In other extracurricular activities we extend our intelligence to the outside world. Learning about the printing press, about government, and about careers helps to increase our wisdom.

But in all areas, for learning to be useful to us, we must remember and make use of what we have learned.

Summer band is the time to prepare for the coming season.

There are many facets of home economics, one of which is growing up.

Learning is extended outside of our high school courses to extra activities, such as the printing of Odin's Word, in which Diane Ramey and Barb Green check proofs with the shop foreman.

Days of Building . . .

Noise was not uncommon to Princetonians during the first few months of the school year, but the new addition, completed early in 1966 provides many opportunities for learning and is a relief on the feet of many underclassmen by eliminating trips between the Princeton Junior School and the high school.

Don't let your eyes deceive you, it is only the steel framework of the new addition.

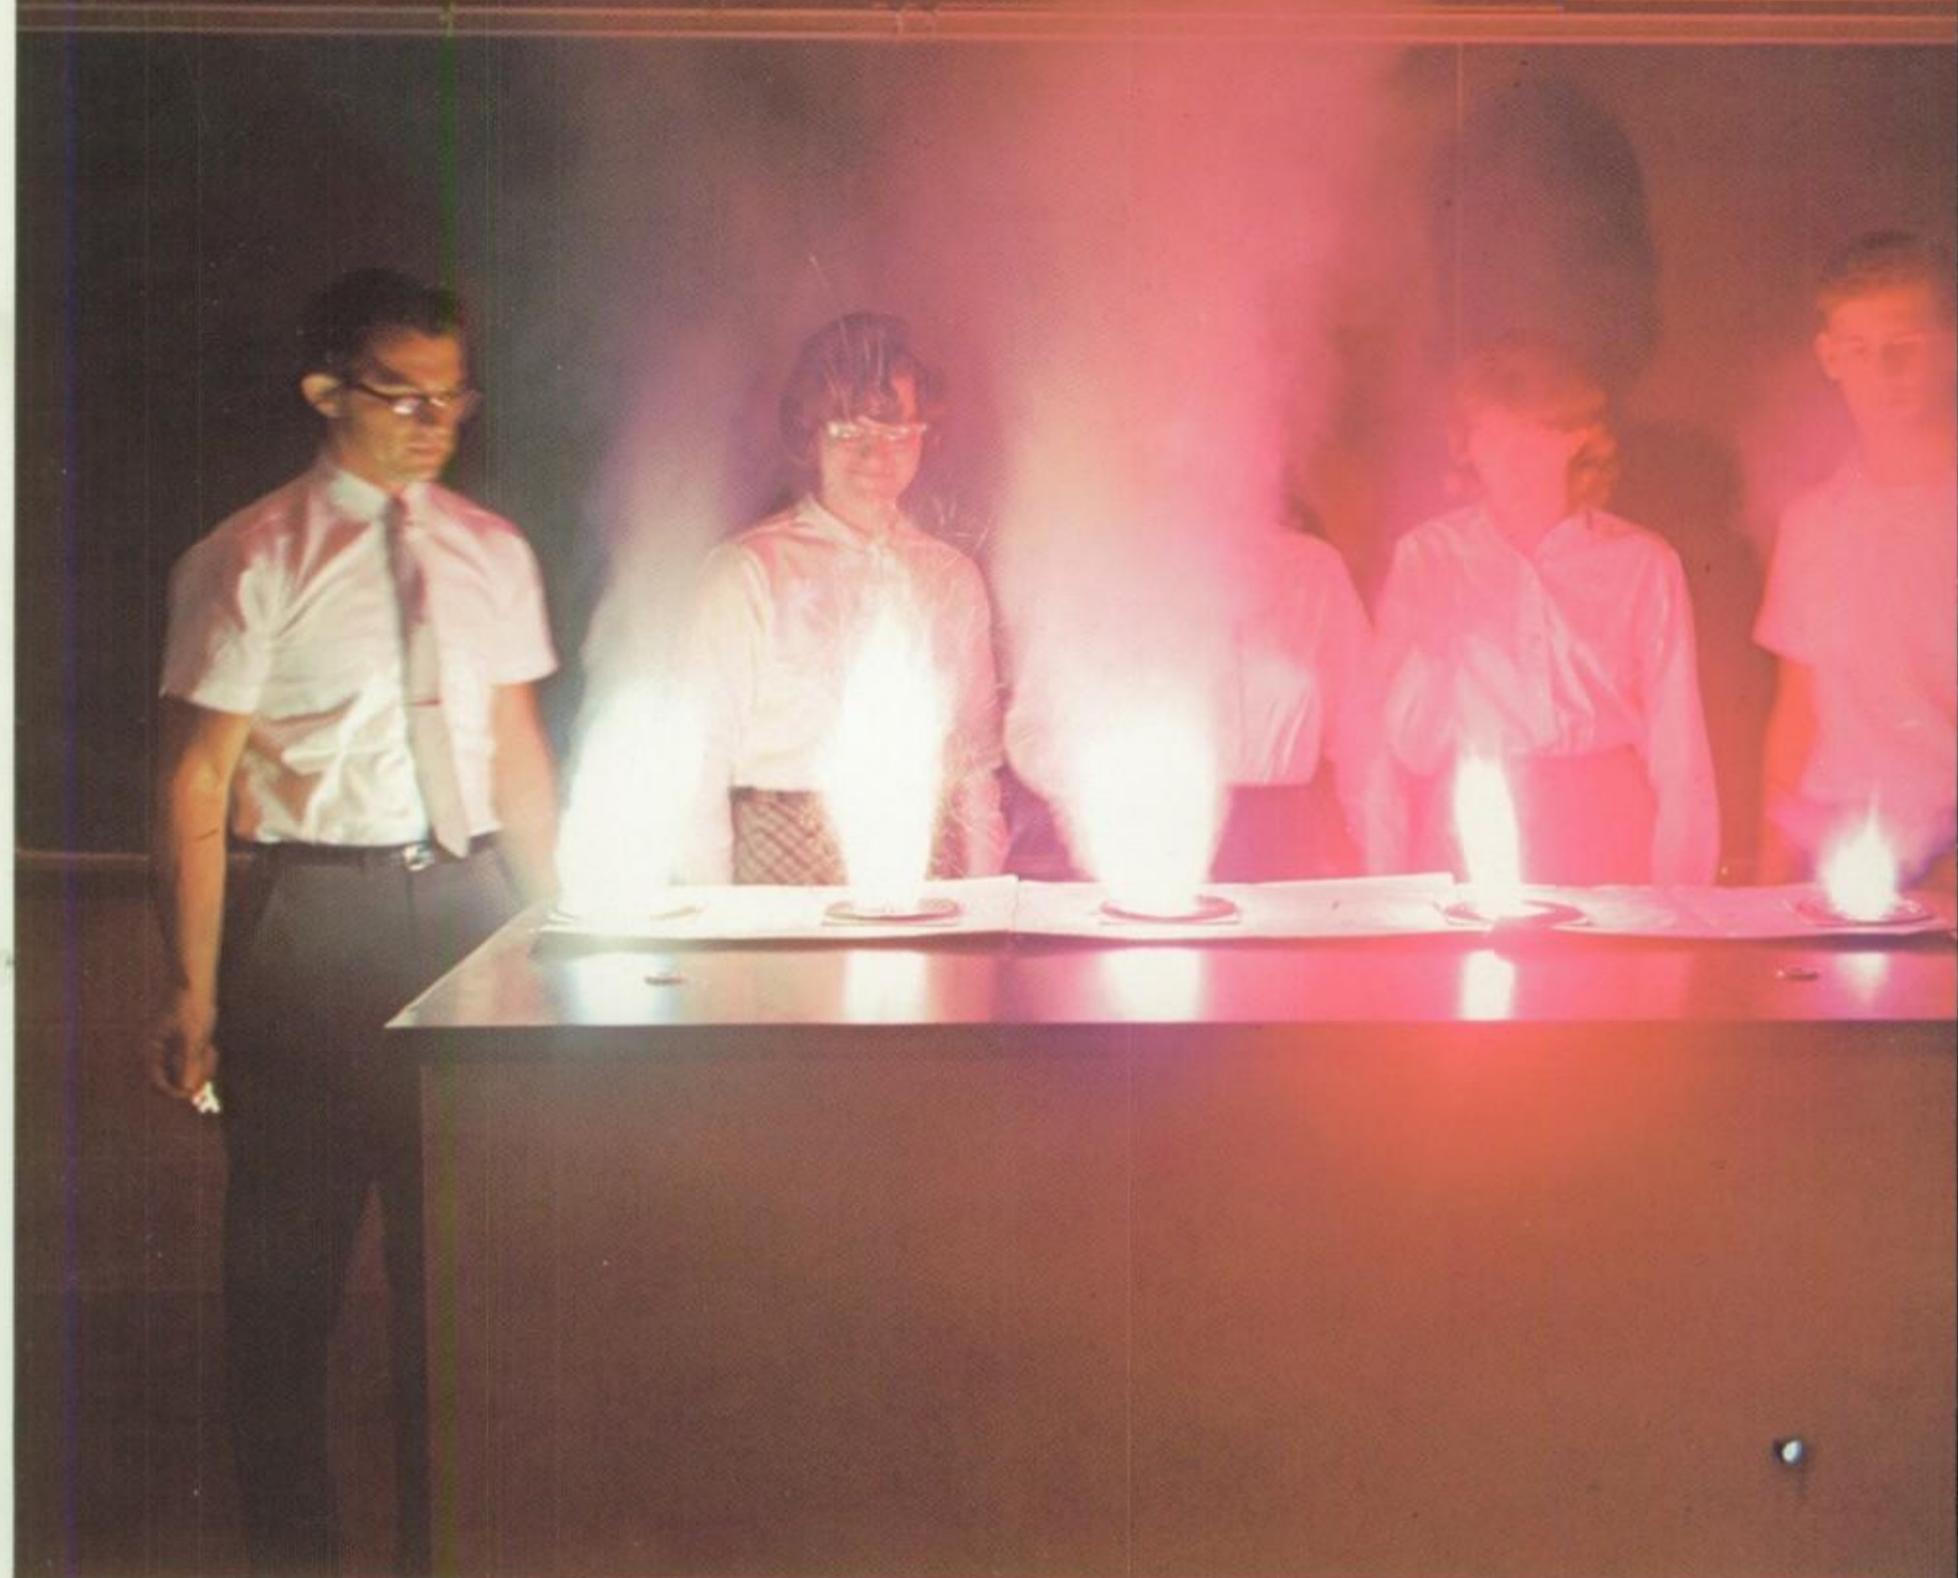

As with a good elementary education, so is a strong foundation needed to support the future product.

During the summer, many dusty feet were busy carrying supplies to make our new wing possible.

Days of Experimenting . . .

Experimenting can be defined as a trial and error method of discovering the unknown. If at first we don't succeed, we can always try, try again.

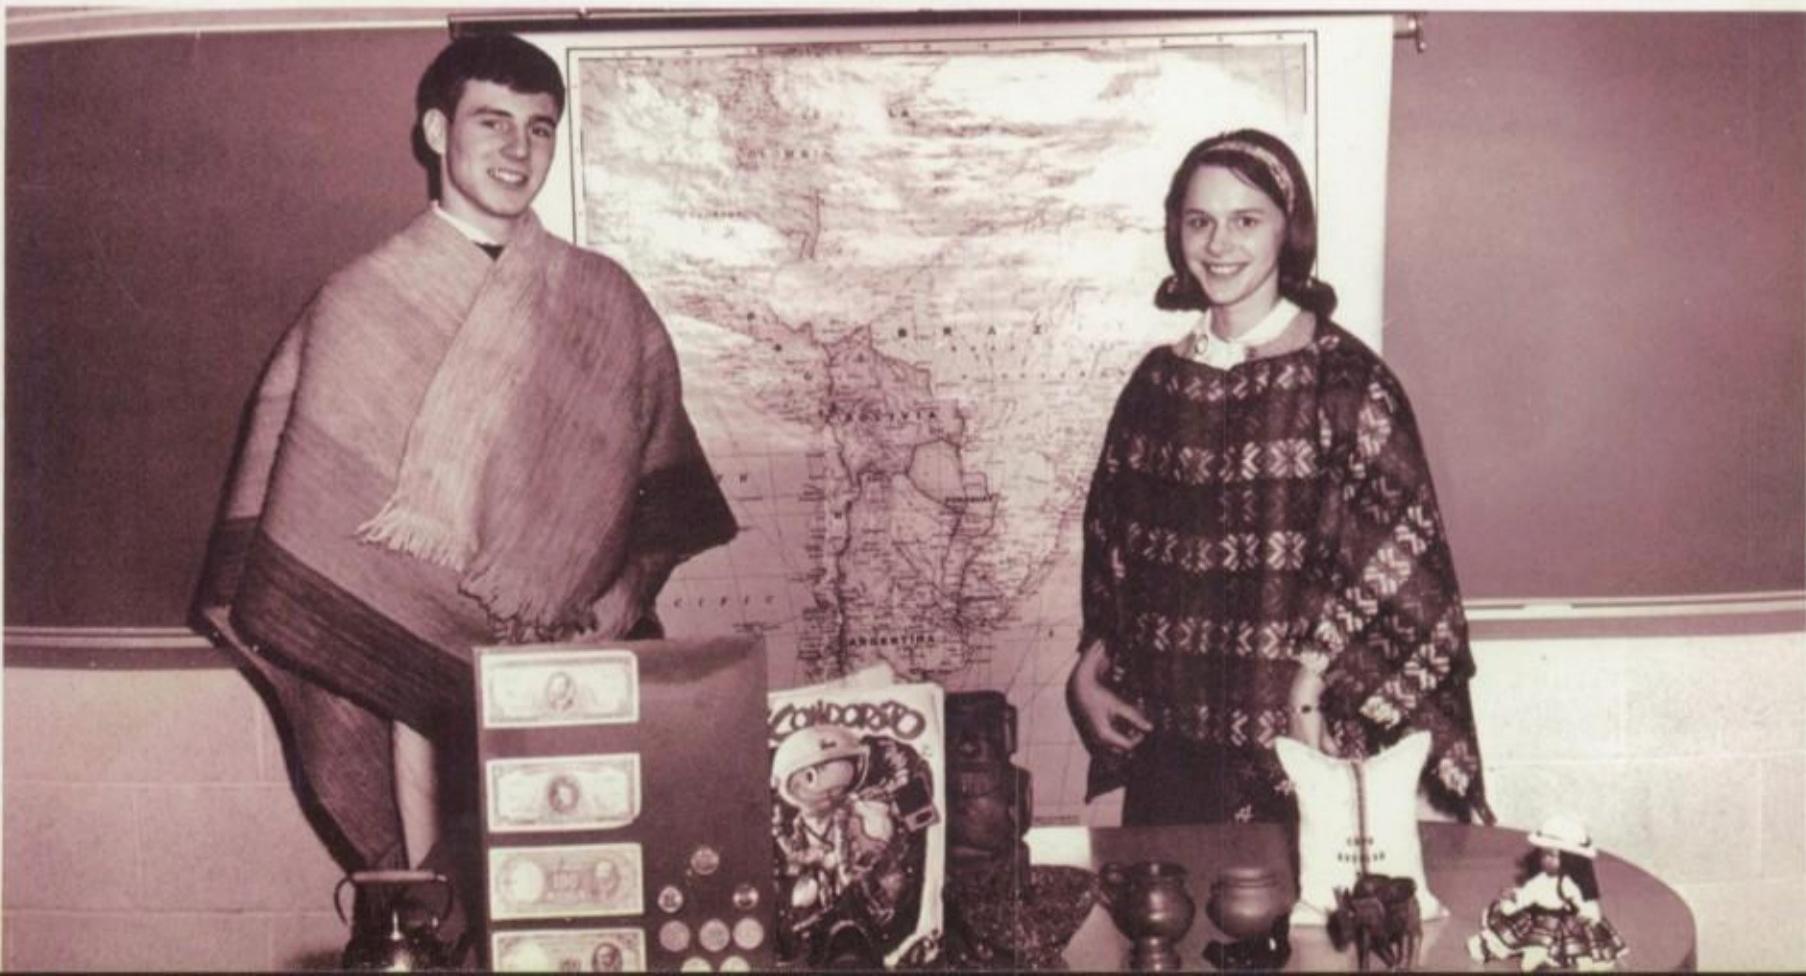

In chemistry, as well as in home economics, we experiment with ingredients. We need patience and knowledge to discover a new and easier way of preparing a product without destroying the final outcome.

This past summer we experimented by sending students to Chile and Colombia, South America. This was a new field to discover, and the trip proved successful to Princeton's first foreign exchange students and to the rest of the school, as Penny Koller and Tom Lent related their experiences.

A half of a cup of every cup is a good measurement of experimenting.

Tom and Penny enjoy talking about their trip to South America and like to show the clothes, trinkets, and money they brought back as souvenirs from sunny days "south of the border."

Days of Leisure . . .

Leisure days are the most enjoyed of all the school days. We make our best grades in class breaks and lunch at school.

We all like to be with friends who share the same interests. We enjoy getting together after a victorious game. We find that parties are always filled with entertainment whether they are a school function or a private party. Best of all, we like the dating and social events which affect our lives.

But after an enjoyable weekend, we must settle down again and study until the next weekend arrives.

Long before many clubs are organized, the annual staff starts to think of the coming year during planning sessions through the summer.

Between classes many students find time to release some energy and to relax.

Nobody, but nobody, can give you a better deal than Randy Parks Park-a-Car as he shows up for senior portraits in August.

When not attending school, Jeff Sims and Bill Farmer find time to enjoy a lively house party after mid-year exams.

After school, Sharon Gosney and Gary Thompson escort camera-shy Santa from the main lobby to help usher in Christmas vacation.

Princeton High School is the scene of great activity. It is a school for students on the road to knowledge and a mature understanding of the problems which face young people today. It demands and receives a high level of academic and vocational performance and inspires the students, as well as others, to have confidence in the ability of its graduates.

The secret of Princeton's success is that the hustle and bustle of activity does not cease with the arrival of June. Summer band concerts, plays, and practice sessions for football players and cheerleaders are only a few examples of the activities which are available to Princetonians "365 days a year."

Summer Brings Pictures And Fond Memories

Even though school officially closes its year in June and reopens in September, it is still a center of many activities during the summer. Besides summer school, plays, and football practice, there is something in late August exclusively senior—senior pictures. Besides just coming to sit before a camera, seniors reminisce about their respective summer vacations and talk about the upcoming event of reopening of school with mixed emotions.

'Senior Only' Classes Offer Specialization

Princeton offers a wide range of subjects to satisfy the interests of its students. It prepares its graduates for the future—whether that future involves college, work, home management, or immediate job experience.

Certain courses, however, are restricted to seniors and present an opportunity for concentrated, individual study. Science seminar and senior homemaking are two specific examples. Princeton's co-op programs, also, are designed to give students practical on-the-job training which will fit them for the future.

Deserving Seniors Win Varied Honors

Question: Who will be chosen for the "senior bests"? Answer: Those who have been leaders in their fields and who have valuable assets to Princeton.

The seniors of "66" have not lacked the qualities which make leaders; they have made outstanding contributions in the fields of spirit, service, and academic performance. They have entertained all with their wit, their friendliness, and their athletic and musical abilities.

Seniors such as Debbie and Terry, for example, have encouraged school spirit; Barbara and Tom have filled many positions of responsibility; and Beverly and Gary have represented the best characteristics of the entire class.

Thus, these and other senior "bests" deserve our praise as well as our heartiest congratulations.

1996

We are the underclassmen—representatives of youth maturing to adulthood throughout the entire year.

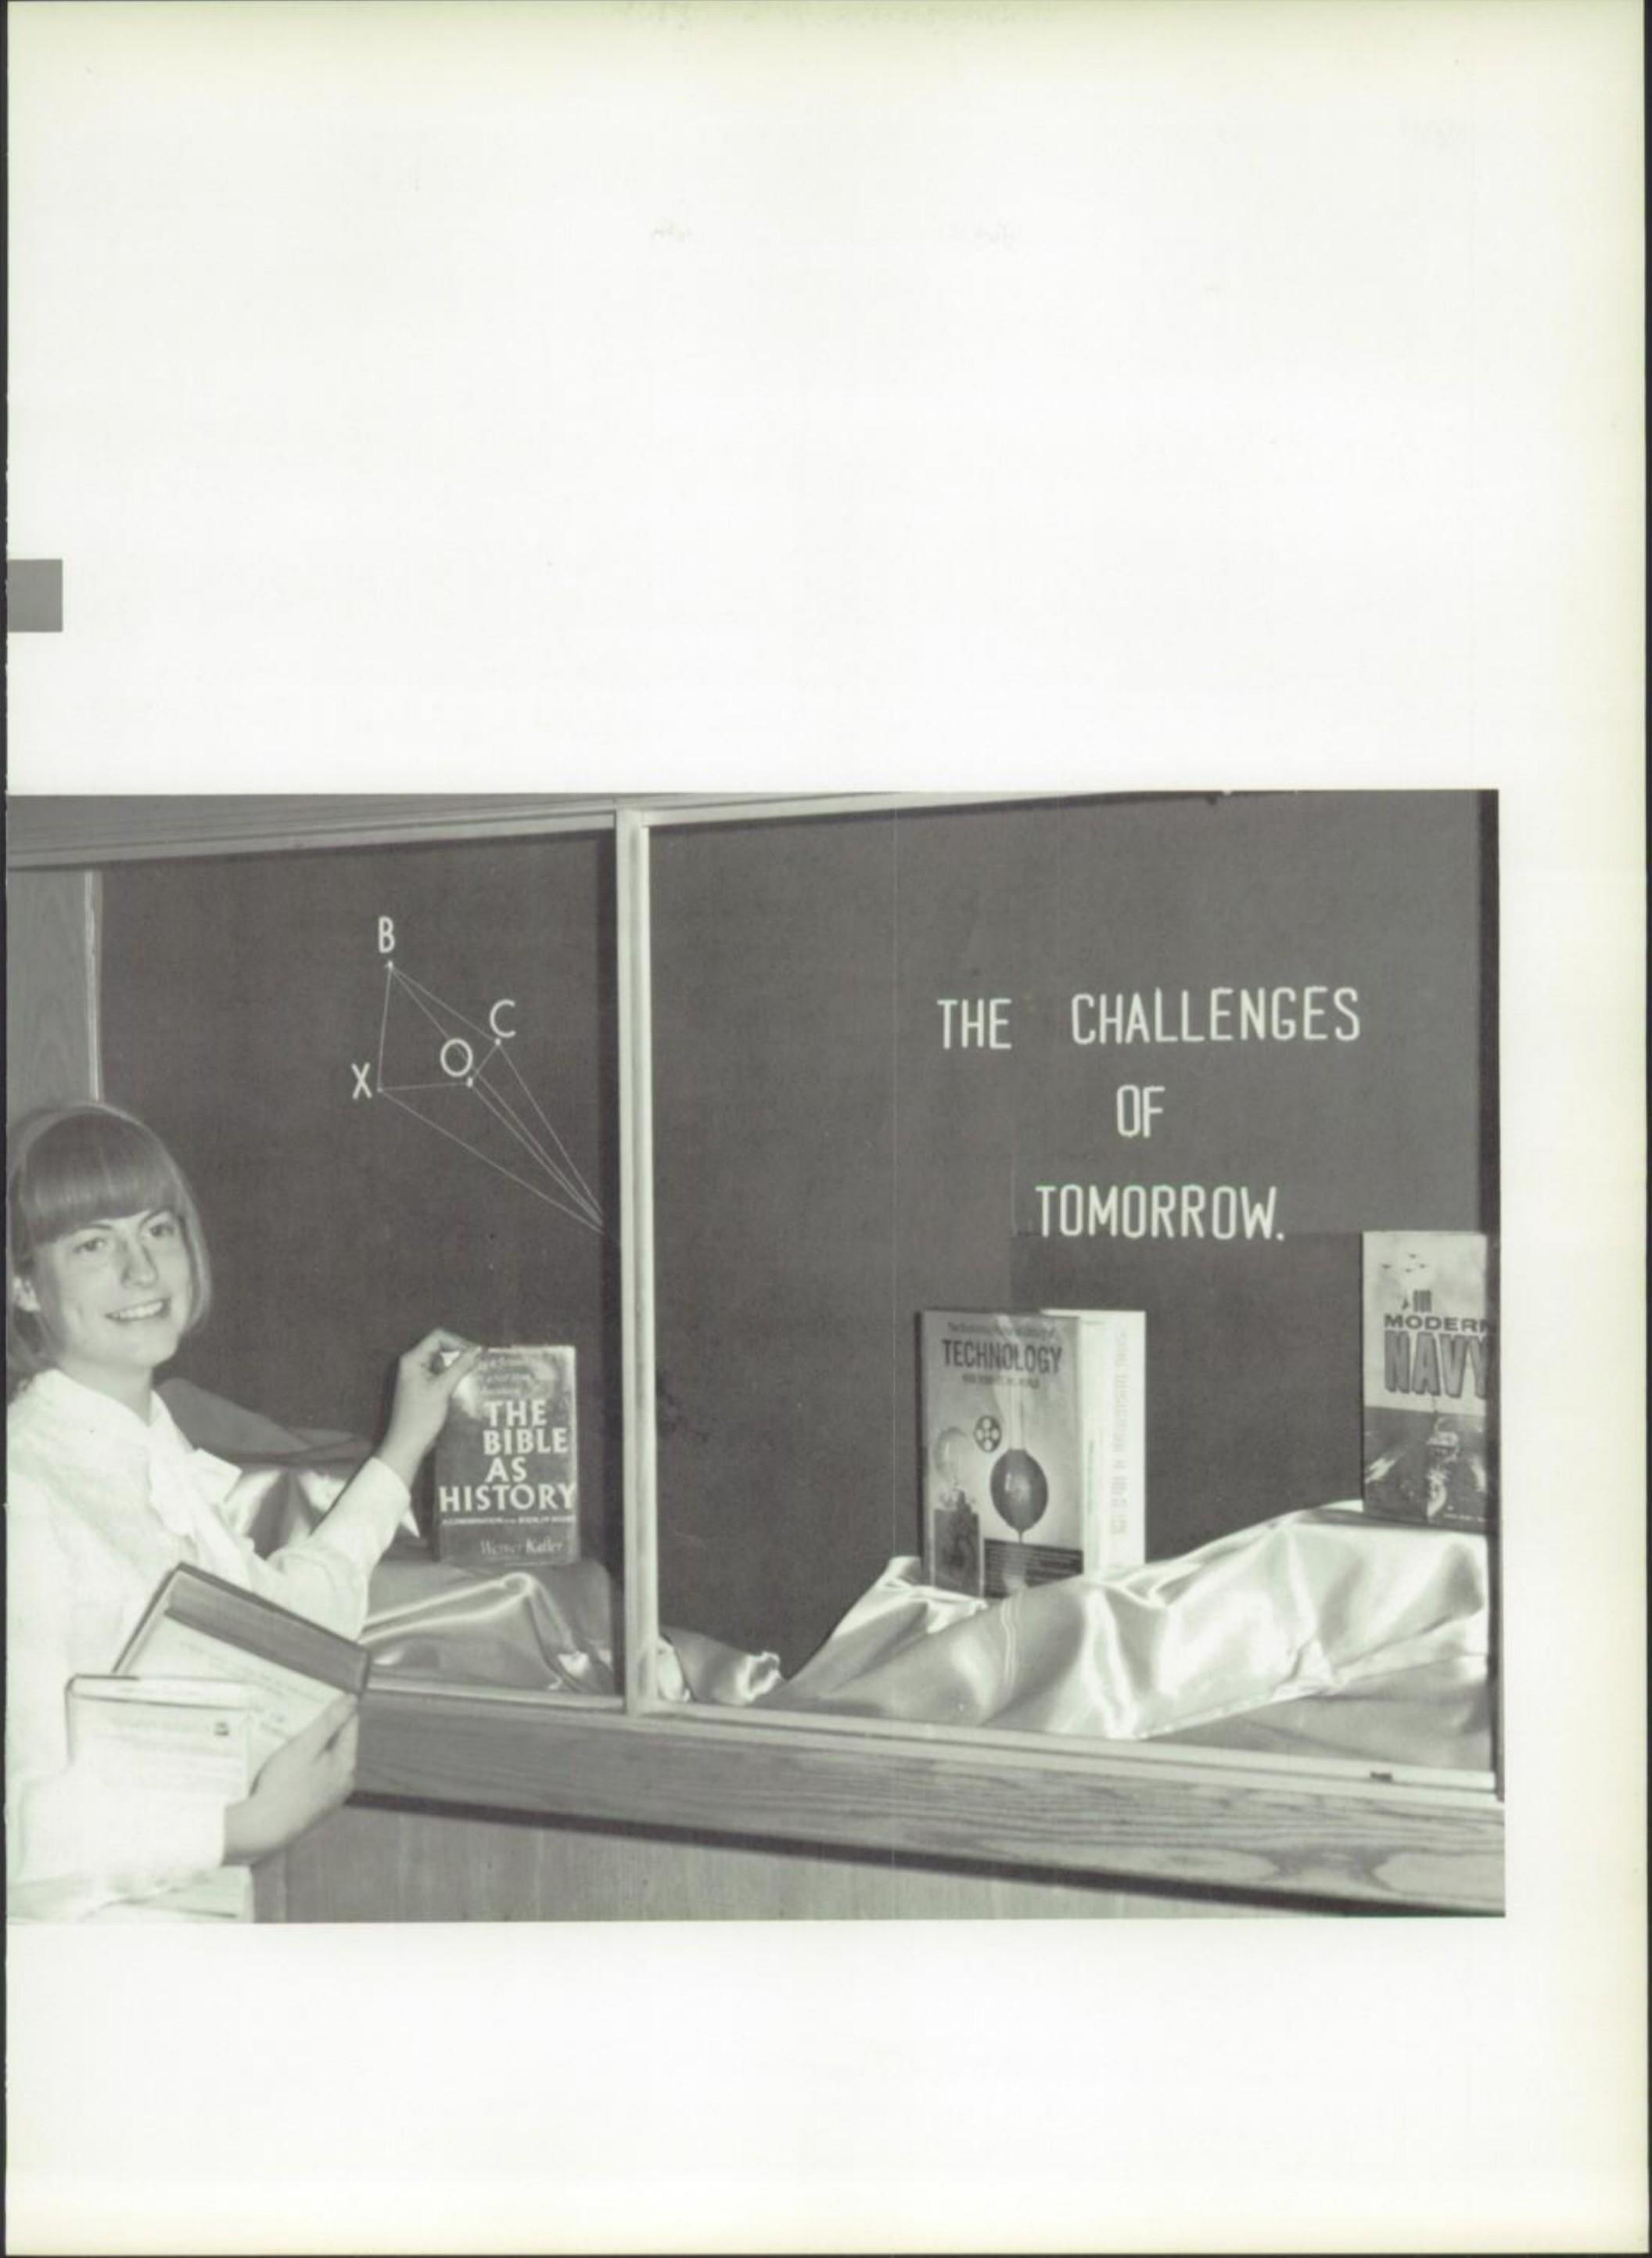

Beginning as raw material, we are counseled in every field, so that we are suited for the years after graduation. We gain knowledge through excellent teachers, and are given every opportunity to obtain an extensive education.

We do not always study, though. In our spare time, we are also preparing to face the responsibilities which accompany maturity by participating in clubs and sports.

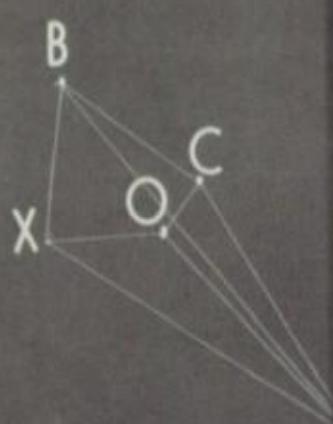

We are the memories of yesterday and the visions of tomorrow. Combined in one student body, we work sometimes together, sometimes individually, to make Princeton our own. We are proud of Princeton and proud to be Princetonians.

Juniors Uphold Status With Varied Activities

The juniors started their year with a successful sale of mums for Homecoming. They adorned the dresses of a guy's favorite girl at the dance, after a win over Greenhills, 50—0.

November 6 highlighted the Junior class dance. In the spotlight were the Peasants. They provided an evening of excellent entertainment.

During the festivities of December, the class sold Christmas wrapping paper. This helped fill the treasury for the prom.

The class of '67 was also active in other fields. They were well represented in all sports and clubs. The biggest thrill occurred in the spring of the year, when the most important event, the prom, became a reality.

ELEVENTH GRADE

Homecoming Climaxed With Crown and Win

Homecoming began this year with much enthusiasm as many students came to the football game to participate in traditional festivities.

The half-time entertainment began with the procession of the Homecoming court around the track in cars. The junior class was well represented in the court by Brenda Derickson and Troy DeBord, substitute for Steve Brockman, who walked happily down the field when announced by the speaker.

After the crowning, the band played "The Sweetheart of Sigma Chi."

The entire evening came to a climax when the Princeton Vikings defeated Greenhills.

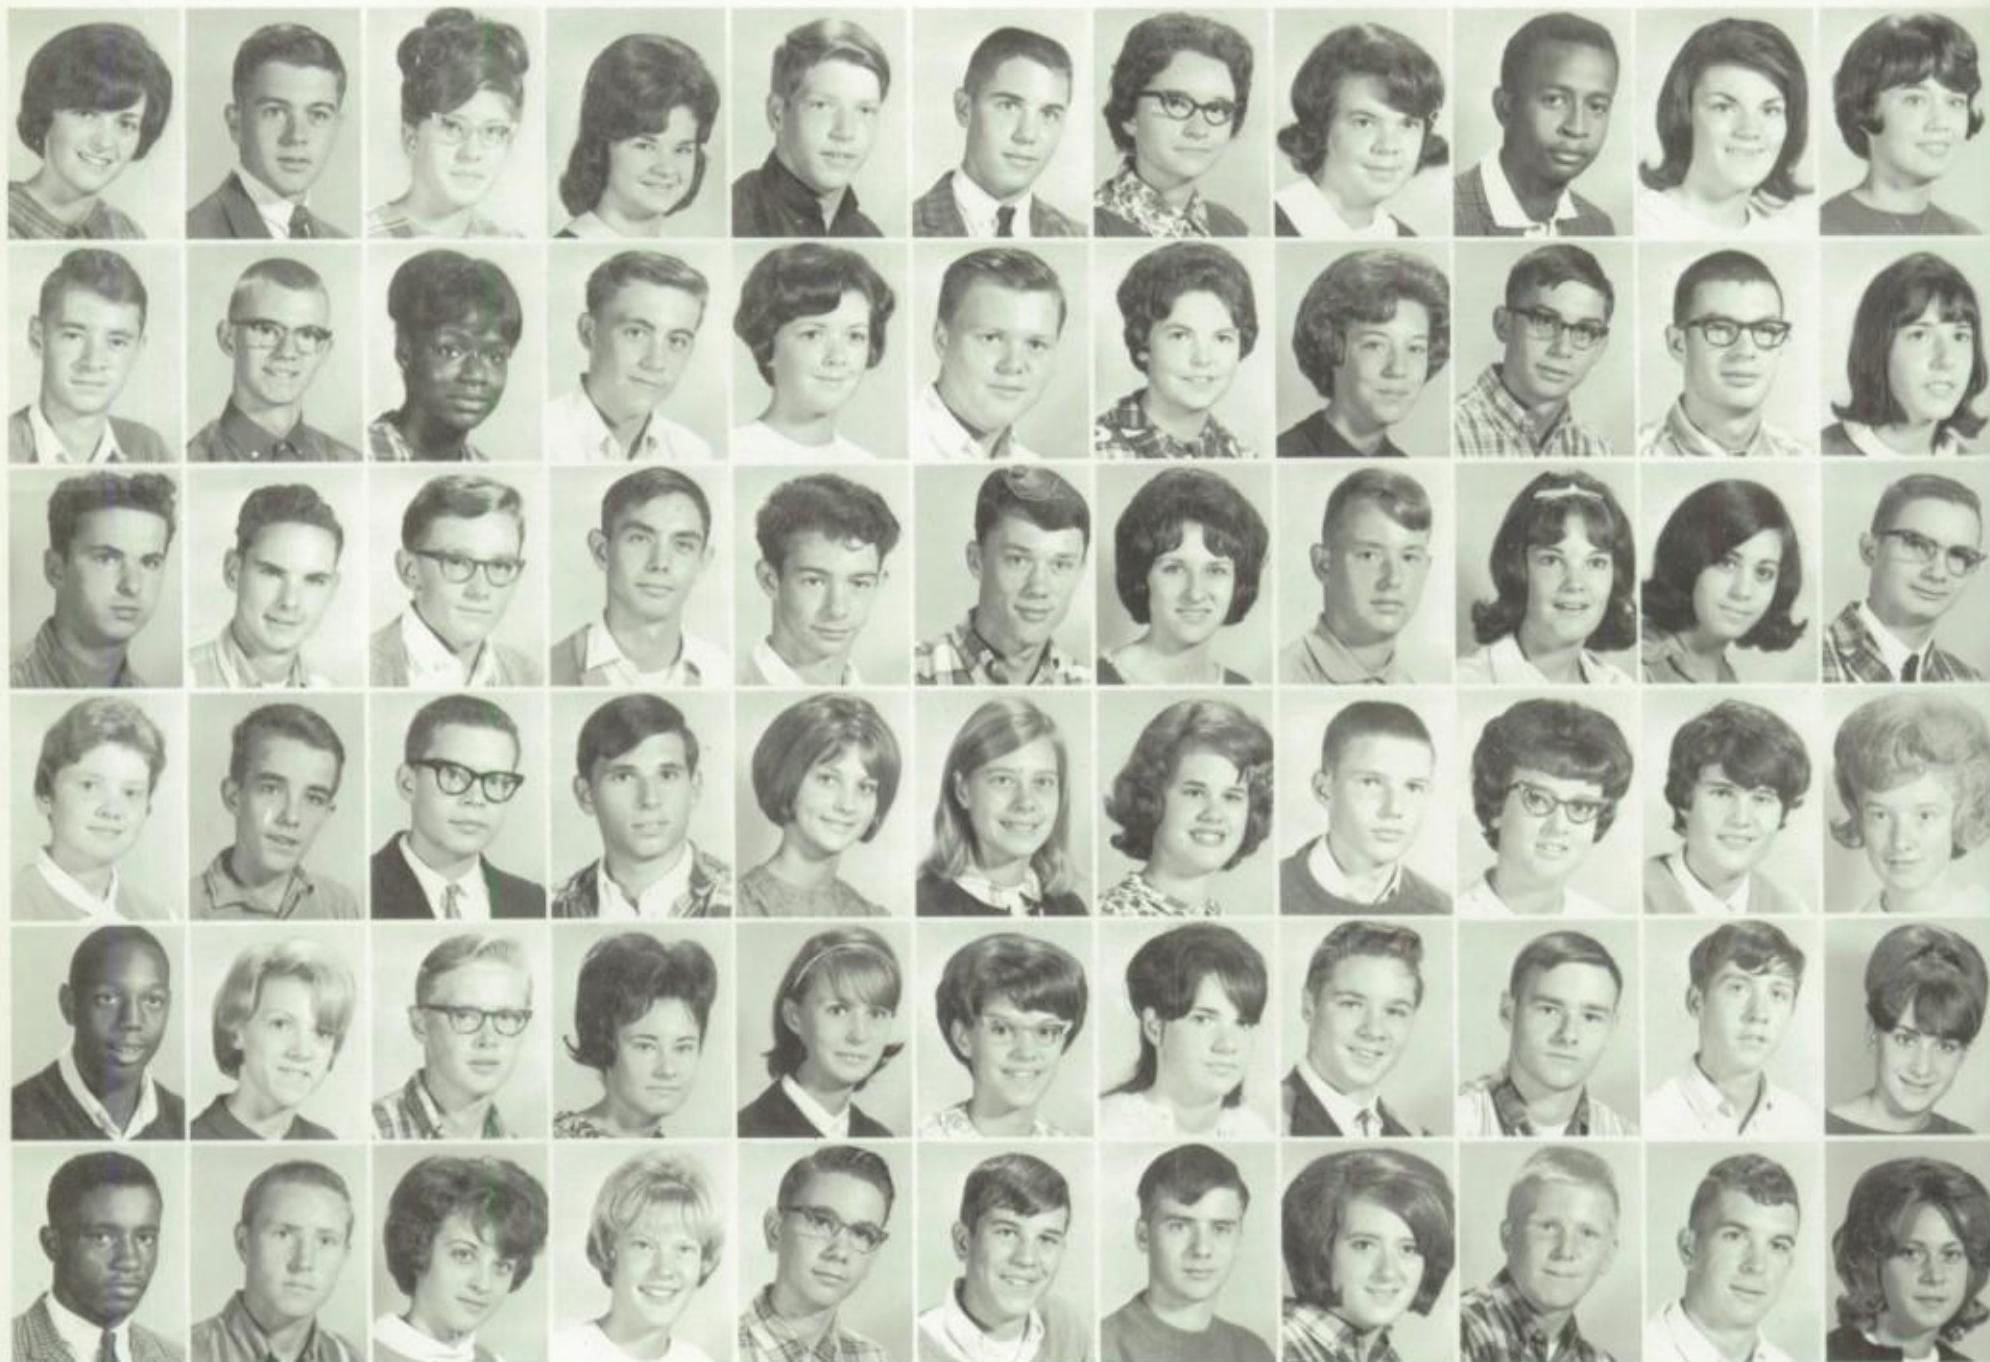

The junior class proudly presents Brenda Derickson with Troy DeBord, subbing for Steve Brockman, as its representatives at the Homecoming festivities.

School-Spirited Sophs See an Active Year

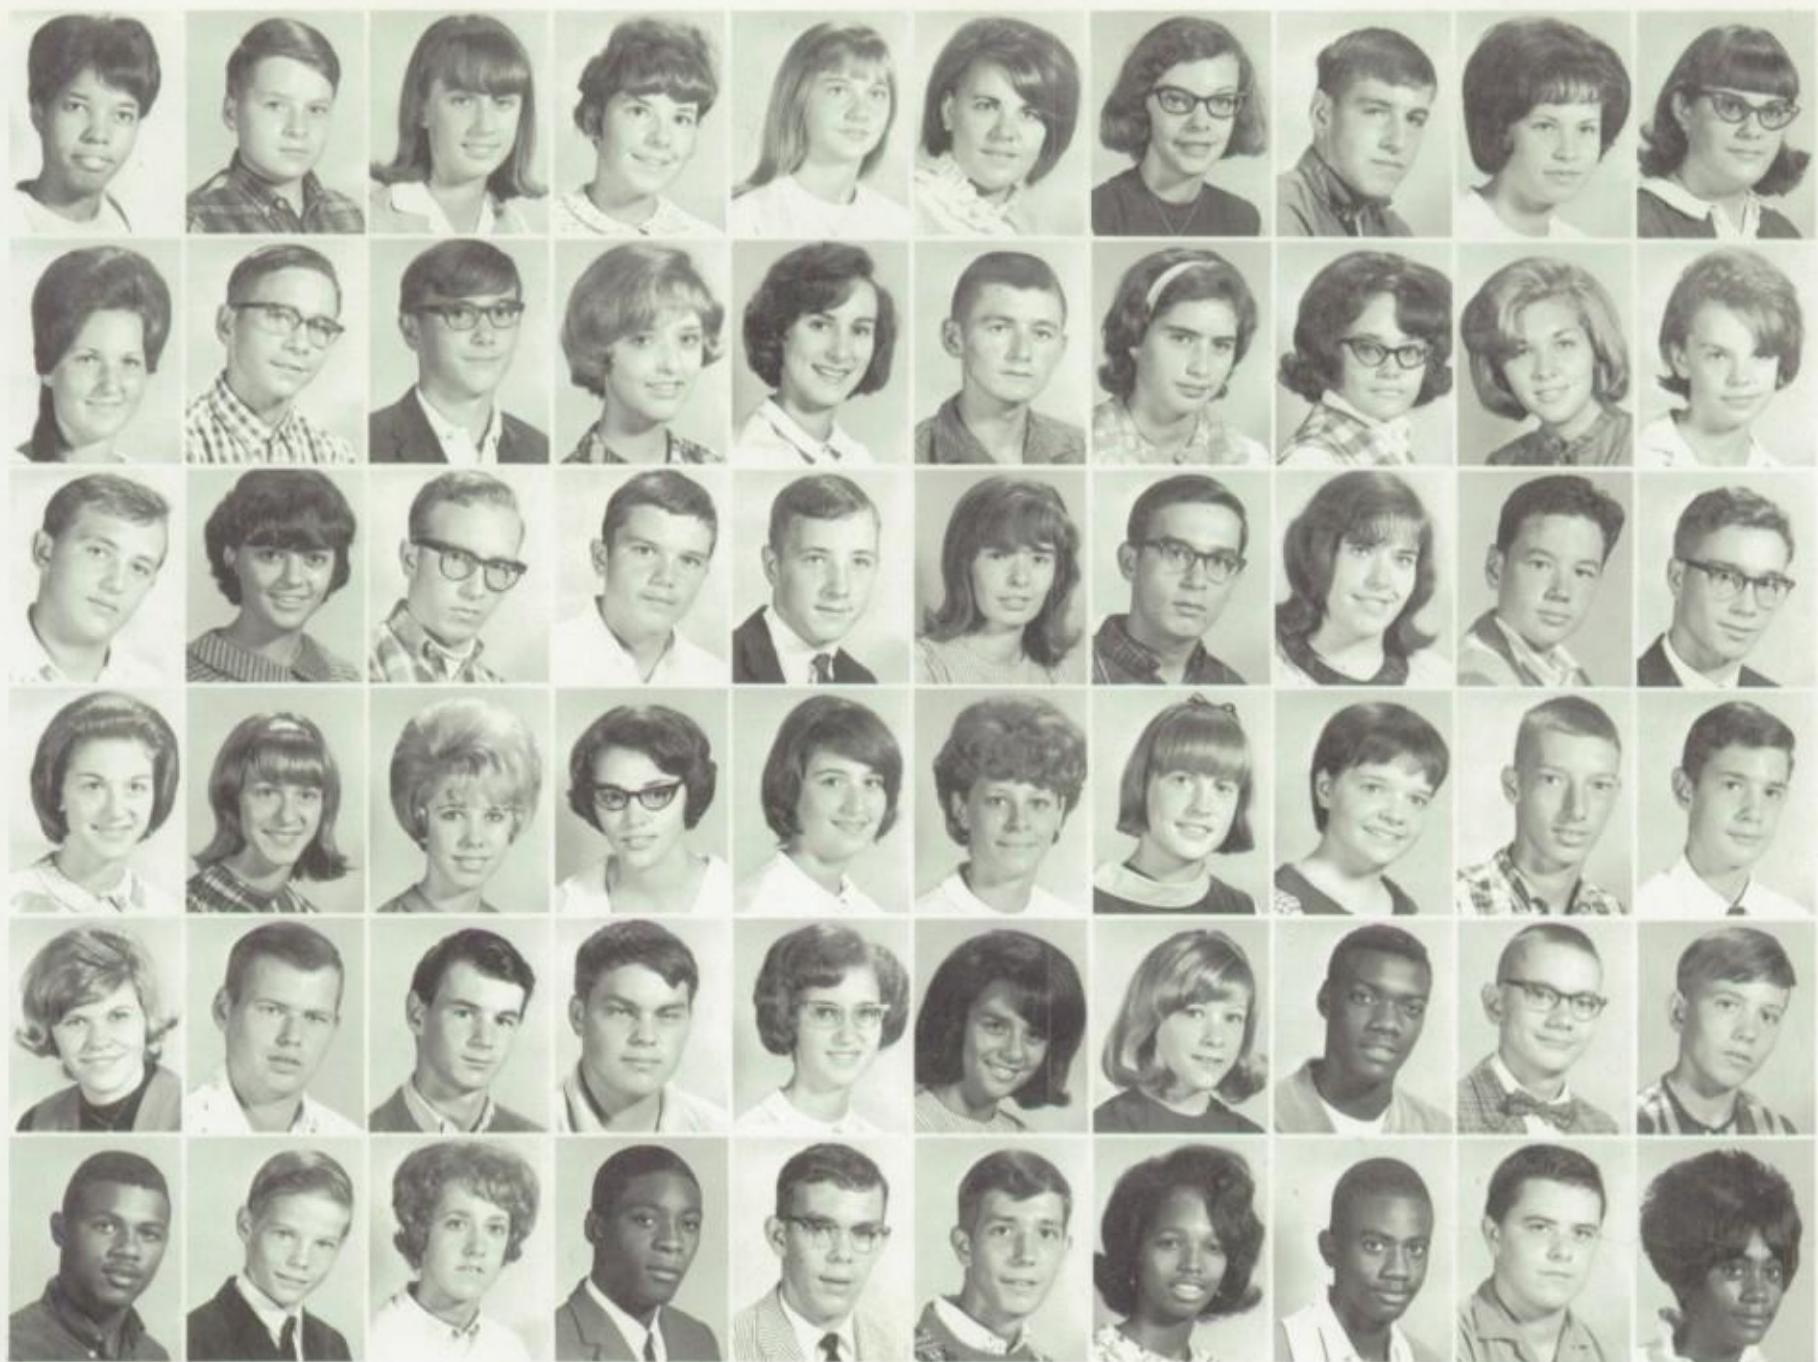

The sophomores began the school year by commuting between the junior school and the high school. It was after Christmas vacation when they at long last initiated the new wing.

Again, the Shipmates launched into a busy year. A number of dances were held in the cafeteria after school, as well as the sophomore-sponsored "Mistletoe Magic" at Christmas time.

The sophs' school spirit was shown by their avid and eager participation in the Heart Fund during February.

The class flag, which was designed and the colors chosen in the freshman year, was made and proudly hung in the front lobby.

The class of '68, active in many school functions, is sure to participate actively at Princeton during the coming two years.

After-School Events Entertain Sophomores

Sophomores were busy this year with after-school activities such as clubs, football games, and other various pastimes. However, these events were all topped by the Homecoming celebration and the Christmas dance, "Mistletoe Magic".

The sophomore representatives to the Viking Homecoming court were pretty Mary Jo Gaines and Gary Bolton. Although entranced by the bright lights, shiny cars, and the extremely handsome couples of each class, the sophs were still able to give a few voluble yells to cheer the team to victory over Greenhills, 50—0.

The other big social event of the year for the class of "68" was the successful Christmas dance, "Mistletoe Magic". The Mistletoe Maiden selected was cute sophomore Debbie Bell.

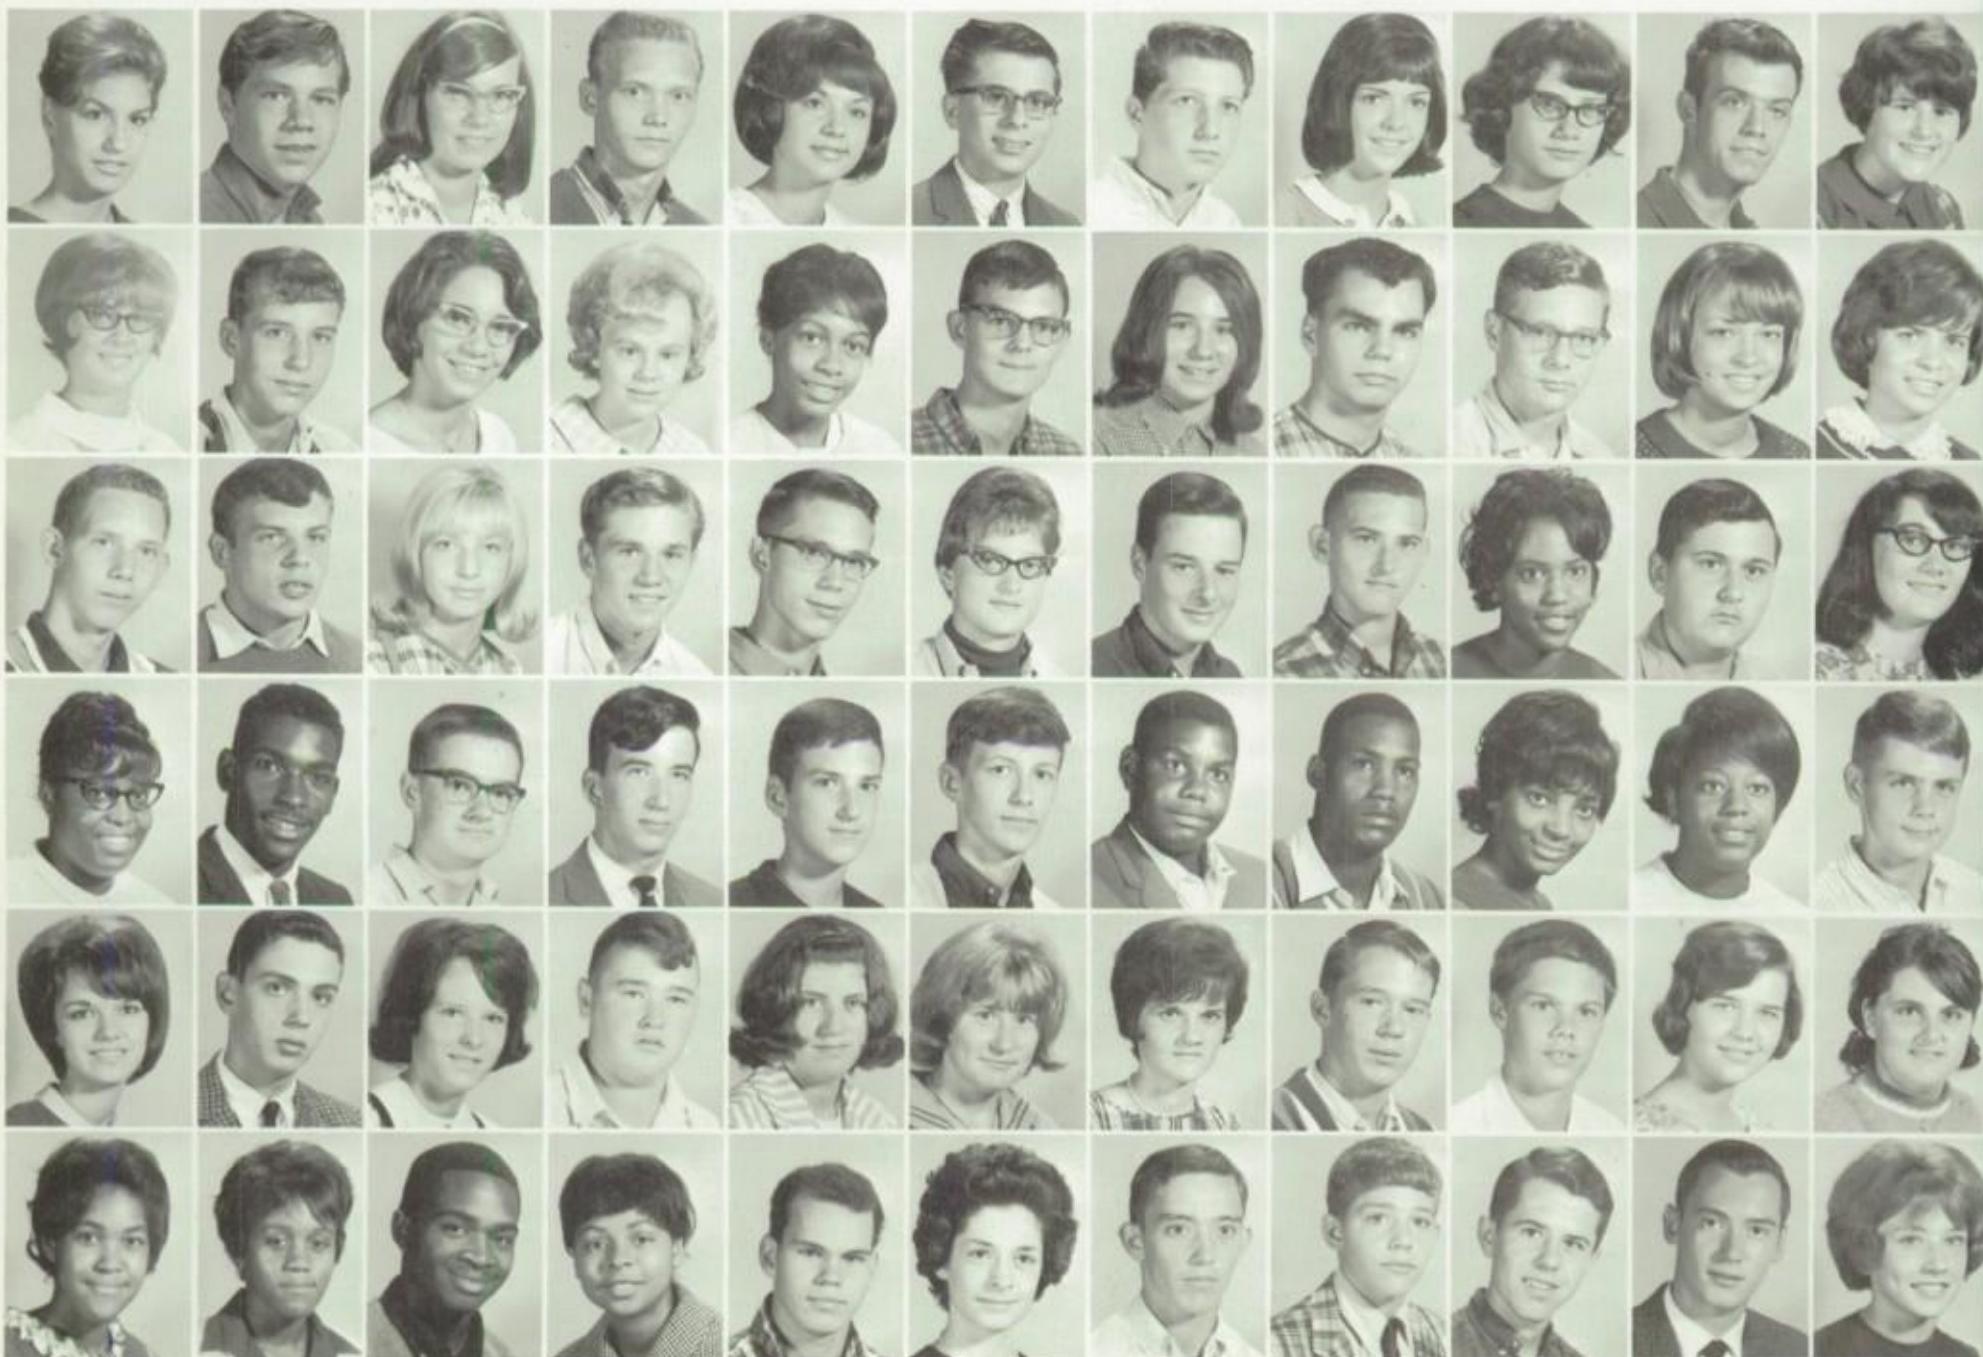

Mary Jo Gaines and Gary Bolton represented the sophomores class at Homecoming.

The fresh frosh spirit.

Freshmen Fall Quickly Into High School Life

This year's freshman class, the little Vikings, are not really little. They are four hundred and sixty strong, making them the second largest class in the school. Their spirit is sky high, and they prove it by yelling loudly at the pep rallies. Their spirit also shows in the four dances and the annual Freshman Frolic, given to raise prom money.

They have easily fallen into step with the other classes, considering all the building changes they have gone through. And now they have a whole new wing to themselves, breezing along as smoothly as anyone else.

Interesting Activities Are New Traditions

When the WSAI heart fund drive caught Princeton up in a whirl, the freshman class was in there pitching (pennies, to dollars) with the rest of the school. They helped immensely in the auctions, and they won the "Fill the Milk Bottle" contest with \$250.

Following a newly formed tradition, they have plans to sew a class flag, which will be hung in a place of honor. The freshmen also have an unusual mascot: a troll. Their pet lived under the bridge for a while but moved out when the between-class student crossings became annoying. He moved too soon, for now we are in the new wing and rarely use the bridge. Maybe he will move back again.

With one wonderful, exciting Homecoming behind them, the freshmen look forward to three more just as exciting and ever so much as wonderful. A long succession of dances, football games, basketball games, plays and other activities await them, to be climaxed by the senior prom and eventual graduation.

But all is not fun and games. Much sweat, blood, and tears go into the planning of events and also into the passing of tests necessary to progress upward in the grade levels.

Since the frosh show a great spirit and one day will be seniors, they will enjoy all the glories and prestige attached to the office.

Onward freshmen! Take heart! You will make it!

365
DAYS
1961

Faculty members at Princeton High School make many contributions to the school throughout the year. During the nine and one-half months of school, they spend many evenings preparing classes, grading papers, creating tests, and attending meetings.

In the past summer, twenty-five of the faculty members taught summer school. Eighteen teachers spent their summer vacation at schools to further their own education. Several traveled to many parts of the United States and as far as Europe and Mexico to add cultural background to their work.

In these and in many other ways, the dedicated teachers at Princeton work throughout the year to help the students to obtain the best education possible.

ROBERT E. LUCAS, Ph.D.
Superintendent

Many of Dr. Lucas' activities consist of communication with community leaders.

Dr. Lucas Celebrates

Arriving at Princeton in July, 1955, one month after the establishment of the new school district, Dr. Robert E. Lucas has inspired many developments in education locally and nationally during the ten years in which he has guided the Princeton City School District.

From the days when the present site of Princeton High School was a sprawling farm in 1955 through the dedication of the new school in 1958 to the addition of the new sophomore and freshman wings in 1966, Dr. Lucas has seen enrollment at the high school soar from 704 to 1,651 today.

Subject offerings, too, have increased in number and complexity until today more than 140 courses are available at Princeton.

Throughout the eight years' existence of Princeton High School, Dr. Lucas has seen the school win a total of 137 sport trophies including 37 league titles, 8 district championships, and one state championship.

He has also watched the Music Department win 10 superior ratings in state competition and 60 in district contests.

Dr. Lucas inspires many graduates to achieve high goals.

Ten Years in District

After obtaining his master's degree in 1946 and his doctor's degree in 1962, both from Ohio State University, Dr. Lucas has assumed varied positions of leadership in education, has won many awards for his work in the training of youth, and has been a representative of American schools to study Russian schools in 1959.

Since 1961 alone, he has filled six major positions on state and local levels including Chairman of the Board of Directors of School Management Institute, President of Valley School Administrators, Chairman of the Ohio Association of School Administrators Blue Ribbon Committee, Chairman of the Board of Directors of the Ohio Council for Education, President of Ohio Association of School Administrators; and he is currently Vice President of Ohio Council for Education Board of Trustees.

Awards this year alone consist of distinguished service plaques from the Ohio Association of School Administrators, the Ohio Education Association, and the Ohio Council for Education.

In arranging an extension of University College at Princeton during 1961-1963, Dr. Lucas works with Dr. Hilmar Krueger, dean of the college.

Dr. Lucas accepts the state tennis championship trophy from Chick Hawley on behalf of the school at the conclusion of the 1964-1965 year.

Establishing policy for the Princeton schools are members of the School Board: *SEATED*—Judge John W. Peck, president; Mr. Troy C. DeBord,

vice president; and Mr. Lester D. Hinkle. *STANDING*—Mr. W. James Kirst and Mr. Herbert W. Kief.

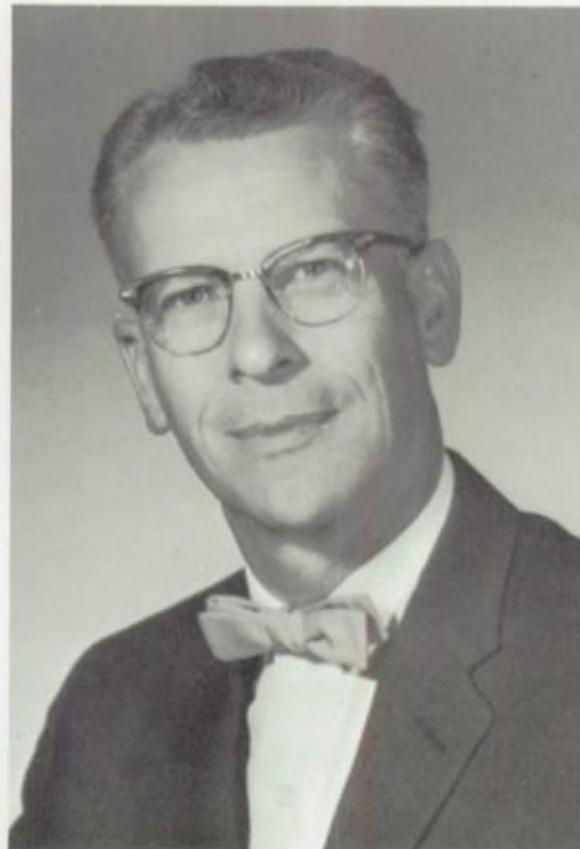

Board Members Strive To Advance Princeton

The Princeton City School District is guided by the five elected members of the Board of Education. They are responsible for providing the best education possible for all students. Responsibilities of the Board of Education include staff, curriculum, buildings, equipment, grounds, services, and the procurement and management of the finances of the district.

Since the Board of Education has recently approved additional changes in curriculum, a semester course in Home Economics and introduction to salesmanship in the junior year will be offered next year.

Illustrating their spirit of service to the Princeton Schools, the board members donate to the Princeton scholarship fund the full amount of their salary which is determined by state laws.

Board members spend much time at night meetings in order to improve the Princeton District.

Administrators Regulate Princeton to Expansion

Assistant administrators of the Princeton District are responsible for carrying out the many decisions of the Board of Education. Members of the assistant administrative staff are Mr. Karl Bodenbender, Mr. Myron Luke, and Mr. John Seeman.

Mr. Bodenbender is the director of Professional Personnel Procurement, Supervisor of Secondary School Instruction, and Coordinator of Curriculum.

Mr. Luke is responsible for the pupil personnel and directs staffs that work important innovations in food service and transportation. Among many, he has initiated first aid instructions for the bus drivers over the past five years.

Mr. Seeman, in charge of building and grounds, supervised the many details involved in completing the addition which houses the freshmen and sophomores, as well as building repair and construction of elementary schools.

As an assistant administrator, Mr. Seeman oversees construction of the new wing.

Counselors Aid Students in Plans of the Future

MR. JOHN J. McGEHEE

The counselors' offices are found daily to be beehives of activity. This 365-day job keeps the counselor busy with the problems of his students.

Registering new students starts the counselor's year. He helps them choose their subjects and become oriented with the school procedures.

Scholastic aptitude and interest tests are issued and supervised by the counselor. Each student has a personal file, containing these test results and other facts, which is kept by the counselor. The student may make an appointment to observe these scores and to make plans for his future.

In Memoriam

Princeton mourns the loss of Mr. John J. McGehee, who passed away on September 11, 1965. His life had been one of dedication and sacrifice to his country, to Christianity, and to education.

Mr. McGehee and his family went to China in 1940 as independent missionaries. After fleeing China at the outbreak of World War II, they returned in 1946 to establish Christian centers of teaching. They worked there until 1951 when the Communists expelled Mrs. McGehee and their family and imprisoned Mr. McGehee for one year.

Among Mr. McGehee's contributions to society was his dedication to teaching and guiding young people. During the several years in which he was a teacher and counselor, he brought inspiration and learning to many students at Princeton.

Teachers' Work Reflects Concern for Students

Princeton High School has fourteen subject areas in its curriculum, ranging from the study of vertebrate and invertebrate animals to the study of culture through art. Some of the subjects consist of music, mathematics, English, business education, and home economics.

In order to teach their selected subjects, staff members have completed formal education supplemented by practical experience. Each of the music teachers, for example, is able to play several instruments; those who teach science do their own experiments; and teachers of speech and drama have been in many plays and speech contests.

Combining formal education and practical experience, the teachers are able to complete their jobs efficiently. Teachers not only are able to impart knowledge to their students, but also they strive to encourage their students along the path to learning. With these as their goals, teachers at Princeton are continually working to prepare the students for the future.

Mr. Coyle spends much time discussing with his students the influence of literature on the world.

Teachers Participate In Extra Activities

Some students believe that the teachers' school day ends at 2:30, but this is not the case. Many teachers have after-school activities or clubs which extend their school day to 4:10. Some of these activities are counseling certain students that have missed several days of school or working with those that need extra help in a particular subject.

Many teachers advise or sponsor a club or organization which may be directly involved with the subject they teach. Such clubs include foreign language, athletics, and music.

There are other after-school activities that dedicated teachers perform which affect students' education. These are ordering supplies, making the next day's assignment, grading or making tests, arranging for a field trip with a class or club. These unnoticed and often unrecognized hours are, many times, spent at home during the evening or on weekends.

In addition, teachers sponsor their own clubs and recreation, such as bowling, picnics, dinners, or banquets.

Services Are Performed

Many necessary services are performed daily by a variety of people at Princeton to supplement classroom work of the faculty.

In the morning, bus drivers are the first to start the school day. They are responsible for driving elementary, junior high school, and high school students to classes. In all, they make six trips a day to and from schools throughout the district.

Another group which gets an early start is the cafeteria staff. They see to it that the 1,650 students are served a well-balanced meal at noon.

Custodians include: FRONT ROW—R. Johnson, A. Pieper, C. Maupin, D. Holmes, P. Shanahan, and head custodian of the first shift H. Arm-

To Advance Princeton

Another important group is the custodians, who are responsible for maintenance at Princeton. They work many hours during school time and after school cleaning windows, keeping the floors swept, and straightening the classrooms.

The secretaries serve important functions keeping the operations at Princeton running smoothly. They are in charge of the tons of paper work that needs to be done. Each student's record is kept in order and up to date by the secretaries.

Mr. Ambruster is responsible for keeping Princeton in good working order.

Secretaries are: FRONT ROW—B. Carstens, M. Huth, M. Isaacs, E. Wright, M. Troendle.

1996

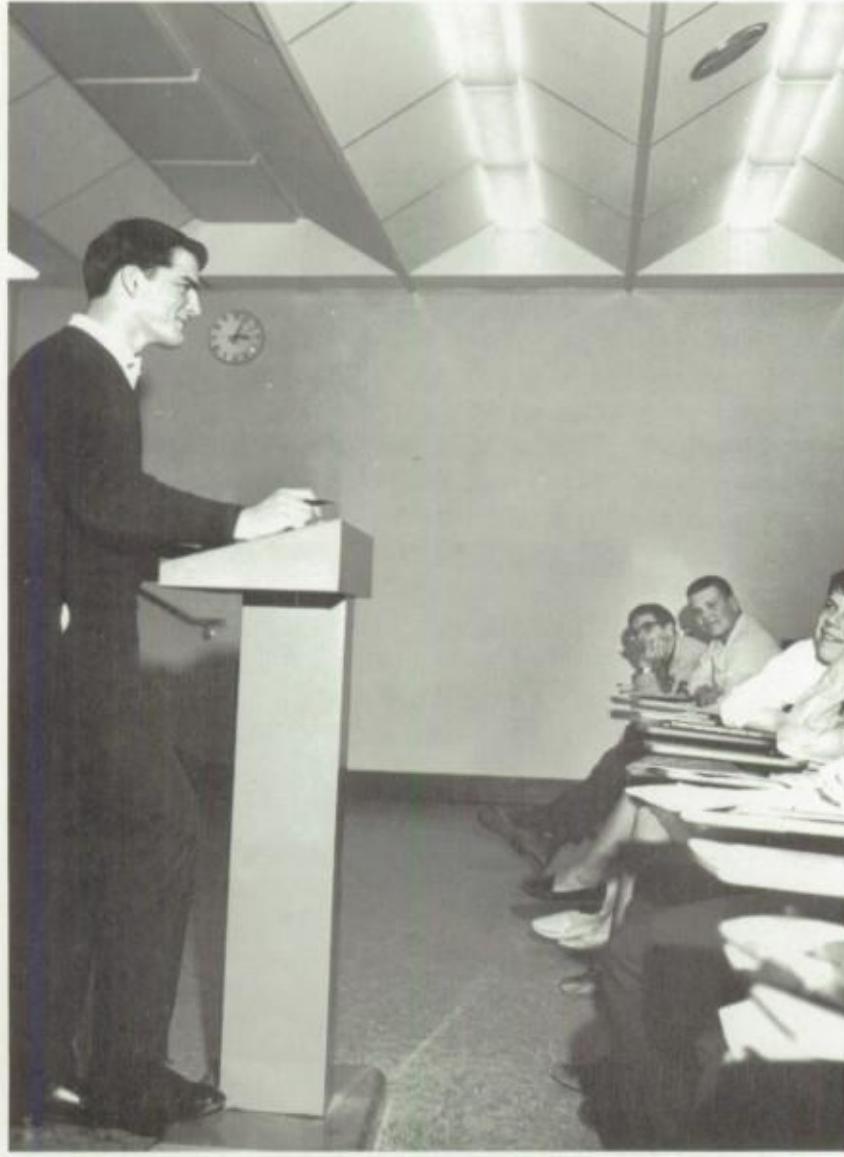

School pride comes from taking part in school activities. Not only pride grows from participation, but leadership and a sense of unity also come as important rewards. Nearly every student can find a school activity that appeals to his interests.

A student spends more than half of his time at school, but his education does not stop in the classroom. Through the social contact he receives in extra-curricular activities, he grows in a sense of grace and consideration that will be of great value throughout the school year, the summer months, and the rest of his life.

Active Student Council

Sparked by the leadership of the Scarlet party, Student Council was unusually active throughout this year. Pledged to giving the student body efficient and responsible leadership in undertaking projects and activities, Council re-established itself as a leading organization at Princeton.

To increase and maintain school spirit, Council purchased and displayed a second flag in the dining room; scheduled buses to all major Sports events; and donated funds to cheerleaders, the wrestling team, and the swimming team to help underwrite their many activities.

Scholastic interests included book sales through-

National Honor Society Encourages Scholarship

The National Honor Society is a means of encouraging high scholarship in our school by giving recognition to worthy students. Membership requires a minimum of a "B" average, and the faculty committee confers the membership on the basis of character development, worthy service, and scholarship achievement.

The National Honor Society inducted sixty-one new members in March this year, giving the Princeton High chapter of the society its highest enrollment. Membership now stands at ninety-seven.

The induction ceremony of the National Honor Society is impressive at Princeton. Present members filter through the auditorium and "tap" selected people for induction into the society. The newly elected members take an oath and receive a pin before speeches are presented on each aspect of the society.

At the end of the year the society's new officers are elected at a nearby park during the annual picnic.

Members inducted during this year in National Honor Society include:

Character and Ability Needed To Be Thespian

National Thespian Society, an organization promoting dramatics in secondary schools, emphasizes high character, participation, and ability in theatrical fields. Membership is open to students who take an active part in any phase of a stage production. Points are given to apprentices on a basis of their cast or crew work. Apprentices are accepted into membership when they receive a sufficient number of points and have displayed an acceptable attitude. Under the sponsorship of Mr. J. Boyd, Troupe 1102 of Princeton inducted 27 new members this year.

Induction ceremonies in mid-April brought the following new members into the Thespians: **FRONT ROW**—T. Thompson, H. Risenfield, J. Shuster, C. Marshall, S. Hambrick, M. French, C. Dimond. **ROW TWO**—J. Pez,

Hard-Working NFL Wins Many Trophies

Admittance to the National Forensic League is determined on a point system. Students who excel in speech and debate receive an allotted number of points for each public tournament in which they participate.

This year, under Mrs. Barton's supervision, the varsity and reserve debaters have won five first-place trophies at invitational tournaments.

Mr. Boyd's speech students have also had an excellent year, winning 14 first-place awards within six categories at 22 invitational speech tournaments.

The debate members of the National Forensic League are: FRONT ROW—R. Coletta, S. Frasher, J. Fischer, R. Woodruff, Mrs. Barton. ROW TWO—R. Reinhardt, J. Brunck, B. Kopp, B. McCaslin, S. Harwell, K.

Senior Vikettes Meet Demanding Standards

Fifteen of the school's most distinguished young ladies are chosen each year to participate in the duties of a *Vikette*. For any young girl in her senior year at Princeton, becoming a *Vikette* is quite a great honor and responsibility.

The responsibilities of a *Vikette* are to usher and attend football and basketball games, to serve at school socials, and to work as a representative of the high school on community projects under the guidance of Mr. Grimes, sponsor.

The requirements of a *Vikette* are strict. A *Vikette* must have a good academic rating as well as a good social standing. She must be willing to do much hard, but good, service at any time for no fee. She must be conscientious and interested in school events.

For any girl, filling these requirements is a great feat, one which will serve her in good stead in her coming years as an individual in society.

Key Club Exemplifies A Service Organization

Providing service to the school and community, Princeton's Key Club is one of more than 2,700 Key Clubs across the country. It is sponsored by the Sharonville Kiwanis Club, and it has Mr. Jaspers as its adviser.

Among the many projects this club has conducted for our school and community are operating concession stands at basketball games, cleaning up the school grounds, working on the Prom with the Seniors, assisting with a Halloween Party for the children in Glendale, and donating money to the F.T.A., Vikettes, and Scholarship Fund.

By a carwash and flower sale, the club obtained money for its projects this year.

Membership is limited to boys in grades 10, 11, and 12, who have an above average scholastic rating. Seventeen boys took an active part in the club's activities this year.

President of the Key Club, Randy Parks, takes on many responsibilities with his office.

Viking Club Members Win Honor by Sports

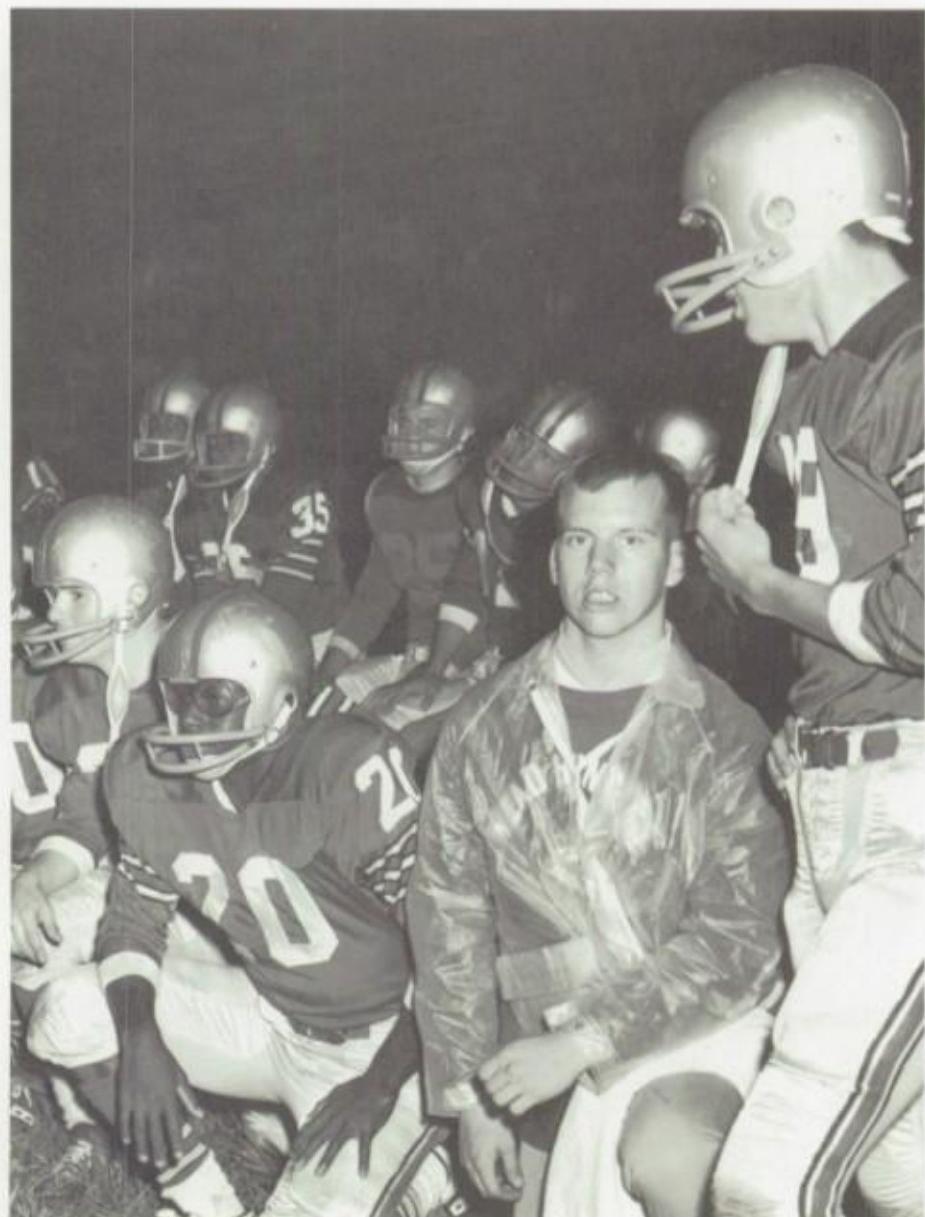

The Viking Club is an athletic service organization consisting of thirty-five varsity lettermen.

Chosen for their outstanding athletic ability, Viking Club members have formed a most honored organization in Princeton.

Under the guidance of Mr. King and Mr. Salvato, Viking Club members have accomplished much.

Their accomplishments include the enlarging of trophy facilities for the over hundred-thirty-seven trophies in storage and the establishing of the Viking Hall of Fame, where the outstanding athlete for the 10 varsity sports is honored.

To help bring the group's aims into reality, members worked hard this year on money-making projects, such as selling programs at games through the year.

Tri-Hi-Y Stresses Christian Character

The motto "Pure thoughts, words, and action" is what each girl in Tri-Hi-Y works to uphold.

As sponsor of Tri-Hi-Y, Miss Rappold helps each girl create, maintain, and extend throughout the home, school, and community, high standards of Christian character.

Although Tri-Hi-Y promotes school dances, it also does many good deeds for outside organizations. This year, gifts were taken to orphanages in Greater Cincinnati.

Two city-wide Tri-Hi-Y meetings were held this year, and through the Youth and Government program, members learned about governmental operations.

Health Careers Club Active As New Group

The Health Careers Club, new to Princeton this year, has been active in following out its purpose to inform students on job opportunities in health fields and to help them learn more about health in community life.

The club members accomplished their aims by visiting institutions concerned with public welfare, and at Christmas time, they took cookies and gifts to patients at Drake Hospital.

A picnic at the close of school ended the year's activities.

Well-Known Latin Club Studies Roman Heritage

A well-known organization at Princeton, the Latin Club's aims are to introduce the students to Roman customs, culture, and language.

With Karen Rhea as president, Jim Magella as vice-president, Sandy Hambrick as secretary, and Vickie Fogelman as treasurer, a dinner, lecture, and a picnic at the end of the year were carried out.

Spanish Club Teaches Customs and Language

The Spanish Club, sponsored by Mrs. Naegel, enjoyed an active year. Pursuing the purpose of the club—to stimulate interest in Spanish as a language and a culture—the club carried out many activities, including a taffy pull, a skit in the International Tea, a fiesta, and the annual picnic at the close of school.

The Spanish Honor Society, organized for those making high grades in Spanish II and III, was relatively new to Princeton this year. Princeton's chapter held a formal initiation and also attended a state-wide convention in Columbus.

Mr. Ziegler, sponsor of the Russian Club, enjoys chat with members following monthly meeting of the group.

Active Language Clubs Conduct Varied Projects

Although many people think an hour a day is enough time to give a subject, this is not the attitude of the many energetic students who comprise the language clubs. Each club meets separately at stated times monthly after school to plan its individual activities.

The French club prospered under the sponsorship of Miss Sandelin. Main activities were the International Tea in December, the annual French Club dinner, and a picnic held at the end of the school year.

"Peace through understanding" is the motto of the Russian Club. Under the sponsorship of Mr. Ziegler, members hope to learn more of the culture of the Slavic people, particularly those speaking Russian.

Members of the German Club meet to acquire more knowledge of the history and culture of Germany. Under the sponsorship of Miss Bergman, the club actively participated in projects related to German and to the International Tea.

Russian Club, only in its second year at Princeton, includes: *FRONT ROW*—M. Gorman, S. Tyahur, P. Stephens, P. Hart, M. Kirkwood, P.

Burbank, B. Palmer, R. Munafò, V. Rowe. *ROW TWO*—Mr. Ziegler, R. Coletta, J. Brunck, R. Bell, D. Hewitt, S. House, C. Tyahur.

Yearly Festival of Arts

Princeton presents the "Festival of Arts" annually in March. This one-day exhibit makes a special effort to praise the skills and talents of people in the Princeton District. The subject matter ranges from flower arranging and home economics to art and music.

Music is continually provided in various forms

Many Willing Students

"Service with a smile" is the attitude shown by more than thirty students who volunteer to serve the student body and the school in numerous ways as color bearers, student receptionists, library aids, and guidance aids.

Working under the sponsorship of Mr. Pier sawl, the four color bearers daily raise and lower the flag which flies outside of Matthews Auditorium. Neither "snow nor sleet, wind nor rain" keep these hardy students from fulfilling their duty throughout the school year.

Work Experience Gained By Vocational Groups

Three vocational programs and clubs of Princeton High School prepare students for the world of business.

The Distributive Education program, sponsored by Mr. Dobbs, teaches selling. Cooperative Office Education, sponsored by Mr. Imhoff, enables students to learn about office work; and Vocational Industrial Clubs of America, sponsored by Mr. Gilbert in connection with the diversified Cooperative Training Program, teaches apprenticeship trades.

The main purpose of these three training programs and clubs is to teach the students in the mornings and to permit them to go out and to gain experience in the afternoon at what they have been taught.

Since membership in these three trade classes and clubs is limited to seniors, this program is a special opportunity to students in their last year of high school.

Work Brings Rewards To Newspaper Staff

The hard work, dedication, and ingenuity which characterized each issue of *Odin's Word* this year resulted in an "Excellent"—"First Class"—rating by the National Scholastic Press Association and a trophy at the Miami Valley High School Journalism Clinic for Bob Rost's cartoon on "Drink and Drive?", which appeared in the February 22 issue. Under the leadership of editor Diane Ramey and assistant, Barbara Green, several new features were initiated. These included the humorous Oritchibary and a monthly column honoring a senior.

Excellent staff co-operation and the guidance of adviser, Mr. Donnelly, contributed to the paper's success.

Honors Repay Efforts

Promptness and accuracy are what members of the annual staff have been aware of for the past year. Deadline dates ring in the ears of each member until his job is completed, and only through accuracy is the annual able to give the student body a precise record of events.

Through its hard work and high goals, last year's annual staff was able to produce a yearbook that received an "Excellent" rating from the National Scholastic Press Association and that

District, State Ratings

As Princeton's most advanced choir, the *A Cappella Choir* is comprised of 63 juniors and seniors who have had two previous high school years of musical training and who are unusually interested in music.

The Choir represents Princeton throughout the community, as well as during the numerous school concerts and assemblies presented each year.

This year the choir's activities included several visits to area churches during the Easter season, a concert on Fountain Square at Christmas, and several evening presentations in Mathews Auditorium.

The Mixed Vocal Ensemble is comprised of students who are selected from the A Cappella Choir and who represent the school in performances where a small group is required. The Mixed Vocal received a Division I—"Superior"—rating at the Ohio State Final Solo and Ensemble contest at Fairview High School on April 16. During this contest, Susan House substituted for Karen Appel.

Five Princeton students were also presented with "Superior" ratings for their solo numbers at the Ohio State Solo and Ensemble contest in April. These students are: Colleen Cully, flute; Robin Braus, flute; Chris Brandenburg, alto sax; Ed Crockett, tuba; and Sherry Durham, soprano.

Music Training Leads

Participating in contests, concerts, music festivals, and the *Sound of Music*, Princeton's choral groups have had a busy—and successful—year.

The Princeton Singers—largely a sophomore group—performed at school concerts and assemblies before receiving a "Superior" rating at the state contest in April.

Viking Voices—a boys' ensemble—also brought recognition to Princeton by scoring a "Superior"

PHS Band Steps Ahead

Following out its tradition for excellence, the Princeton High School Band enjoyed another successful year.

Appearing in half-time shows at all football games, the 150-piece Marching Band won audience approval again with its precision in marching and its full-bodied melody in performance.

With the end of the football season, the Marching Band was divided into the Concert Band and the Viking Band.

The Concert Band complemented its several concert appearances in Matthews Auditorium with competition at the District Band Contest, spon-

Bands, Choirs Satisfy

That Princeton believes in having variation in its music program is evident from the many different bands and music groups which play here—such as the Viking Band, Clarinet Ensemble, Cadet Band, German Band, and the Brass Choir.

The Viking Band, consisting of approximately half of the full marching band, performs at the Academic Fair and the Festival of Fine Arts.

The Clarinet Choir entered District and State contests this year and came out both times with a "Superior" rating. Members are selected from the

C. Kaper, S. Tyahur, J. Bertram, J. Hunley, P. Morman, B. Brown. ROW THREE—J. Rigney, E. Hall, M. Brueggeman, L. Robey, M. Meyer.

The Cadet Band, consisting of members from the freshman class, also played at the Festival of Fine Arts.

The German Band is for those who are particularly interested in German music. This year there were five members.

The Brass Choir, whose members are chosen from the Concert Band, received a "Superior" rating in district and state competition.

German Band, wearing appropriate uniforms, are L. Brockmeier, P. Stephens, M. Williams, J. Bertram.

Brass Choir members are: *FRONT ROW*—R. Foegler, L. Purcell, D. McCracken, S. Ridder. *ROW TWO*—M. Williams, D. Akers, J. Northrup, E. Clay, W. Hicks, D. Phelps, E. Woods, L. Brockmeier, G. Angel.

Orchestra Adds Variety

The school orchestra, which originated five years ago under the direction of Mrs. Joan Meier and which is now conducted by Miss Carol Cohen, contributes much to Princeton's musical program.

The group performs each year for the Academic Fair, for the Festival of Arts, and for the spring musical. It consists of thirty-one first violins, eight second violins, four violas, two basses, and is augmented with band wind and percussion players.

The Regional Orchestra is composed of instrumentalists from all over the southwest region of Ohio. Students must be nominated by their teachers as outstanding musical performers to play in this orchestra.

To Musical Program

One must be able to sight read and be willing to work hard, since it takes seven hours of almost constant practicing to prepare for the annual concert given by this group.

This concert is free and was held this year again at Princeton. In addition to the Princeton students, approximately thirty-five students from other Hamilton County schools participated.

Serving, in effect, as an "All-State Orchestra," members of the Youth Symphony orchestra are chosen by an audition. There are approximately eighty members from southwestern Ohio. These teenage musicians play full-scale symphonies and works of the greatest composers. The orchestra is conducted by Mr. Effron, the concertmaster of the Cincinnati Symphonic Orchestra.

Southwestern Ohio Regional Orchestra members include: **FRONT ROW**—L. Fasoldt, C. Scott, I. Franklin, S. Spencer. **ROW TWO**—B. Adams, B. Blair, C. Wesselman, R. Wilson, R. Winkelman.

Homecoming this year was the greatest event of its kind—especially for Debbie Guy and Mike Donley, who were crowned King and Queen at the 1965 Homecoming half-time ceremonies.

Debbie was presented with one-dozen American red roses, as the two royal students were crowned by Tom Martin, president of the Student Council.

'Craig's Wife' Staged In Summer Theater

Craig's Wife, written by George Kelly, is one of Mr. Kelly's admirable studies of contemporary character. Mrs. Craig is the full-length portrait of a woman of tremendous power, who, through selfishness, succeeds in driving out of her home her husband, her husband's friends, and her relatives.

This play, a tense and biting satire on human nature, was presented to audiences of 100 on Princeton's stage last summer.

Diane Zimmer and Pam McCann seem always to be arguing.

Pam McCann and Paul Bates have a long discussion about the spirits in the house.

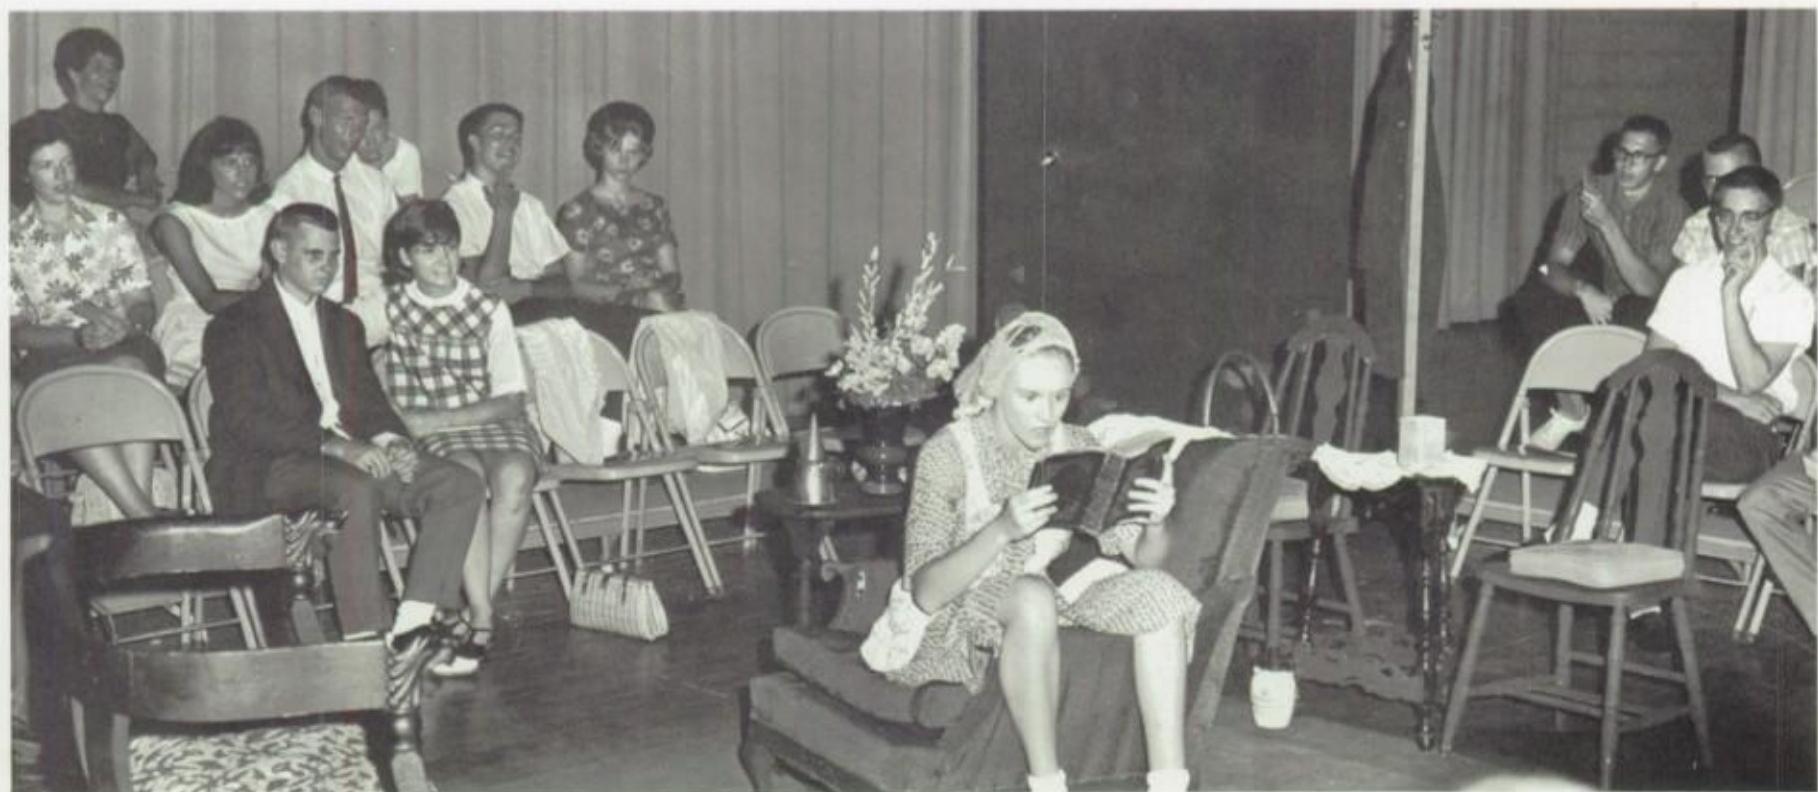

'All Because of Agatha' Delights July Audience

All Because of Agatha, by Jonathan Troy, is a sparkling and highly imaginative comedy, which was first produced at the Glendale California Centre Theatre. Filled with bright, funny dialogue and a cast of thoroughly delightful characters, the play deals with the hilarious plight of a young couple who move into a century-old house in Salem, Massachusetts, only to find that it is haunted by a distressingly capricious, maddeningly tenacious, yet undeniably appealing witch. Directed by Mr. Boyd, the play delighted audiences at Princeton's "Theatre-in-the-round" last July.

Novel Turned to Play Portrays Exile's Turmoil

The Robe, written by John McGreevey from the novel by Lloyd Douglas, was presented in December at Matthews Auditorium under the direction of Mr. Boyd, with Barb Butz as student director.

Centering around Marcellus, a Roman officer who has been exiled to Jerusalem, the play portrays his turmoil as he carries out his duty to crucify a Galilean.

Although he believes the Man innocent, he obeys and tosses dice for the simple homespun robe which the Galilean wore.

Senior Frank Ciofi captured the role of Marcellus and senior William Vearil played the part of Demetrius, his slave.

Both students were selected for their superior acting and were named to the "All Thespian Regional Cast" at the National Thespian Society Regional Conference in October.

Popular Chancel Play Presents Easter Theme

Based upon the success of chancel plays here last year, Princeton actors, under the direction of Mr. Boyd, who was assisted by Sandy Hambrick, presented another contemporary religious Easter play this year—*The Spirit and the Truth* by Frank New.

Portraying the struggle between Pontius Pilate, played by Jim Scholle, and his wife Claudia, Sharon Tyahur, during the week after the crucifixion, *The Spirit and the Truth* contrasted Pilate's resoluteness with the "change of heart" experienced by Claudia, her maid Lucinda, played by Carol Dimond, and a Woman, Sharon Robinson. Mike Donley, as a Man, completed the cast.

In seventeen appearances throughout spring, the troupe traveled as far as Dayton and Hamilton, Ohio.

Sports are integrated into the school program with the concept that the individual must incorporate into life the coordination of mind and body to achieve harmony. The originators of the idea for initiating a physical plant designed a system wherein not only corporeal interests were served but also where traits which would strengthen the character of its participants were emphasized. Since learning is a year-round process, the constituents of such a program should be such that there can be involvement for 365 days a year. However, organized summer high-school sports are not permitted in Ohio. To make up for this condition, there are physical fitness programs designed to keep the athlete and other interested students in top shape.

Viking Gridders Capture League Co-Championship

The Viking varsity football team turned in an outstanding season, showing a skill and enthusiasm unequaled in past years. The team compiled a record of eight wins and only two losses, while winning the Hamilton County Co-Championship.

During the season the Vikings set two defensive records and succeeded in holding five of their opponents scoreless. In a season total of ten games, only forty-eight points were scored against the team—a tribute to the Vikings' excellent defense.

Highlights of the season occurred when Princeton defeated Oak Hills and Wyoming in two complete shut-outs, breaking the Cowboys' forty-two game winning streak.

Six of the senior players on the team were awarded all-league and all-city honors, and three received all-league honors. The team's co-captain, Dan Aston, was an All-American and was the first boy from Princeton chosen to play in the North-South All-Star game held in Canton, Ohio.

P.H.S. football coaches are: F. Byrnes, H. Converse, P. Mancuso, head coach; R. Pitakos, F. Maccioli, R. Corradini.

"Where did everybody go?" asks star-halfback Vince Glover as he looks for an opening.

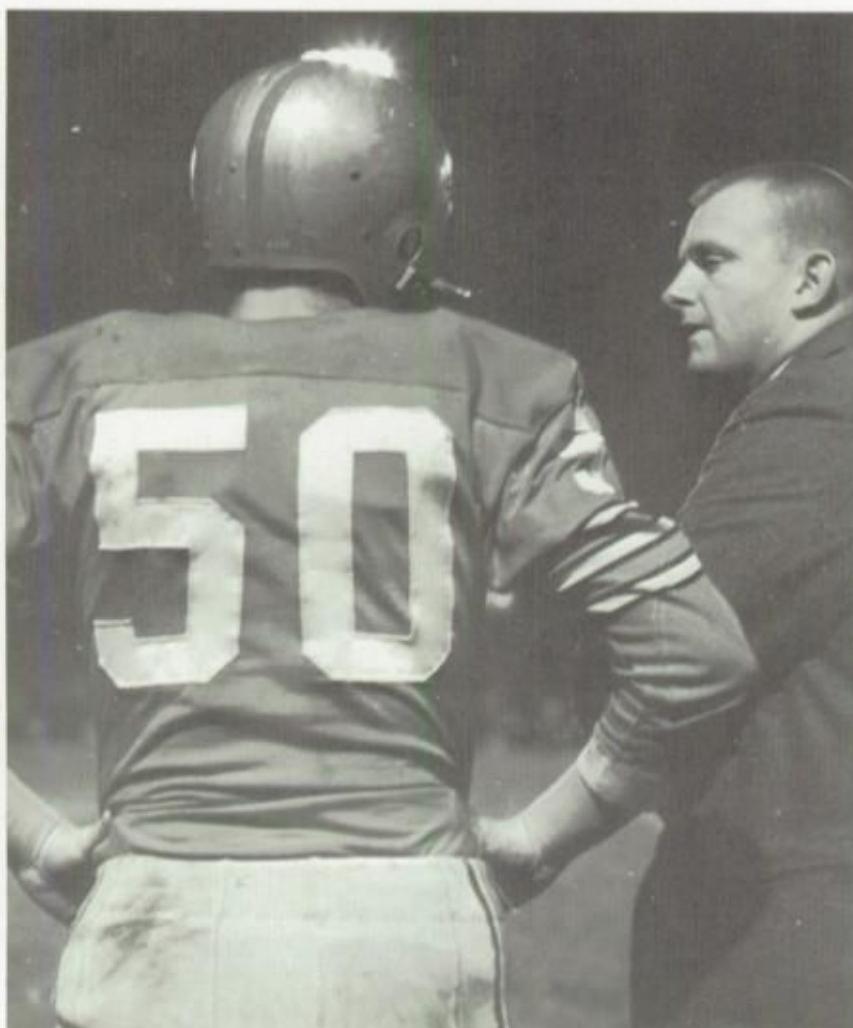

Coaches and Managers Give 'All' for Team

One of the big contributing factors behind Princeton's successful football season is the coaching staff. The coaches have to give up much of their free time so that they can work with the team. It is up to the coaches to develop the necessary football skills in each player for a successful team. They demand hard work and dedication from the team, and they get it.

Mr. Corradini and Mr. Maccioli handled the reserve coaching responsibilities this year. Mr. Pitakos coached the interior linemen, and Mr. Converse advised the ends and tackles for the varsity. Mr. Byrnes took care of the backfield duties. Mr. Mancuso, head coach, was the general coordinator and supervisor. For his efforts, Mr. Mancuso was awarded the "H.C.S.L. Coach of the Year Award" at the annual H.C.S.L. fall sports banquet.

The managers of a football team are often not given much notice nor credit for their work. They have to do the maintaining of all the equipment, and many times they must do little odd jobs. This year's managerial job was handled largely by Greg Ertel, to whom special recognition is due for his outstanding job.

Reserves Show Hustle And the Ability to Win

Enthusiasm and determination marked the Princeton reserve football team throughout their successful season. Coached by Mr. Ronald Corradini, the reserve Vikings proved themselves an outstanding team, gaining the runner-up title in the reserve league and proving their competence for varsity positions next year.

They started the season with a taste of victory as the Junior Vikings walked off with a 20—6 win over Indian Hill.

During the ensuing weeks, the team compiled a record of 7 wins, 1 loss—to Greenhills—and a 6—6 tie with Wyoming.

Other wins were over Norwood, 14—0; Lockland, 32—0; Oak Hills, 14—0; Anderson, 14—8; and Colerain, 14—0.

The strength of their defense throughout the season was shown by allowing their opponents only 3.77 points a game.

The highlights of the season came when the Vikings defeated the Reading Blue Devils, 30—6.

High scorer for the reserves was Harry Howard, with a total of 40 points. Other outstanding players were Tom Tetlow, Bob Storkey, Dan Houchen, Scott Sanders, Mike Carter, and Greg Harvey, who excelled both defensively and offensively.

Frosh Master Essentials And Show High Potential

Learning the essential skills and using them were the main goals of this year's freshman football team. In addition, one of the outstanding characteristics of the team was its size—boasting one of the biggest lines that have ever been at Princeton. This experience and size should prove to be very decisive factor in the quality of the team in years to come.

The freshman football team opened the season by stomping Reading, 22—0. They dropped their next game to Wyoming, 0—6, but they came back and beat Greenhills their next game, 31—14.

The frosh received their worst licking at the hands of Finneytown, 0—36. Out for revenge, they wiped up Anderson, 36—0; and then they finished the season by overpowering Norwood, 30—6.

They ended the season with a record of four wins and two losses.

Gary Crowley, the best running back, returned a decisive kick-off against Greenhills which gave Princeton the victory. Jamie Rouff was the starting quarterback. Some of the best linemen were Bill Benson, Jerry Pettit, Bill Hupp, Frank Seaman, Harry Kushniroff, and Jim Wiese. Linebackers Tom Burk, Greg Harrington, and Paul Broxterman helped tighten defense.

Mr. Baumhower and Mr. Saltmarsh, this year's coaches, agree that the team looked extremely promising for the future.

X-Country Team Runs Hard, Gets Little Notice

Cross country is perhaps one of the most underrated and least known events in high school sports. The boys that go out for this sport cannot be interested in competing to please a crowd because very few people watch this sport. It consists of running two miles over a rugged terrain of hills and gullies.

This year's varsity cross country boys worked hard to give Princeton eighth place out of fourteen teams in the Hamilton County Suburban League. They were seventh out of sixteen teams in the Mt. Healthy Invitationals and sixth out of ten teams in the District Championship.

Junior Terry Gadberry ran for eleventh place in the H.C.S.L. varsity championship.

Senior Steve Frasher placed sixth out of eighty boys at Mt. Healthy. He qualified for the state meet by placing fourth at the District Championship. At state he placed fiftieth out of 258 boys. He was voted "Most Valuable," and Oscar Minter received the "Most Improved" award.

The reserves brought home the Hamilton County League Championship in their division. In league competition, junior John MacDonald placed third, Jim Berkhalter tied for eighth, and sophomore Dale Camp placed fifteenth.

Mr. Hupp, assistant cross country coach, said, "Under Mr. Grimes' capable leadership, we are looking forward to a successful season next year."

Dedication, Sacrifice Mark Girls' Hockey

Experience and dedication were the principal factors which contributed to the success of the varsity hockey team. The girls maintained a record of four wins, one loss, and a tie. An excellent defense was their greatest asset, and the only weakness was an inexperienced forward line. Lisa Brandenburg was the team's most valuable player.

The reserve hockey team played only three games but succeeded in maintaining a record of two wins and one loss.

Good Servers and Pep Help Volleyball Team

The girls' varsity volleyball team combined skill and enthusiasm in finishing a successful season. Increased serving skill and cooperative teamwork brought the girls a record of five wins and one loss. Mike Kirkwood was voted the most valuable player.

The reserve volleyball team succeeded in holding a record of four wins and no losses. Their greatest asset was their excellent serving and spiking skills, and the most valuable player was Bronley Blair.

Lack of Experience and Tough Games Hit Team

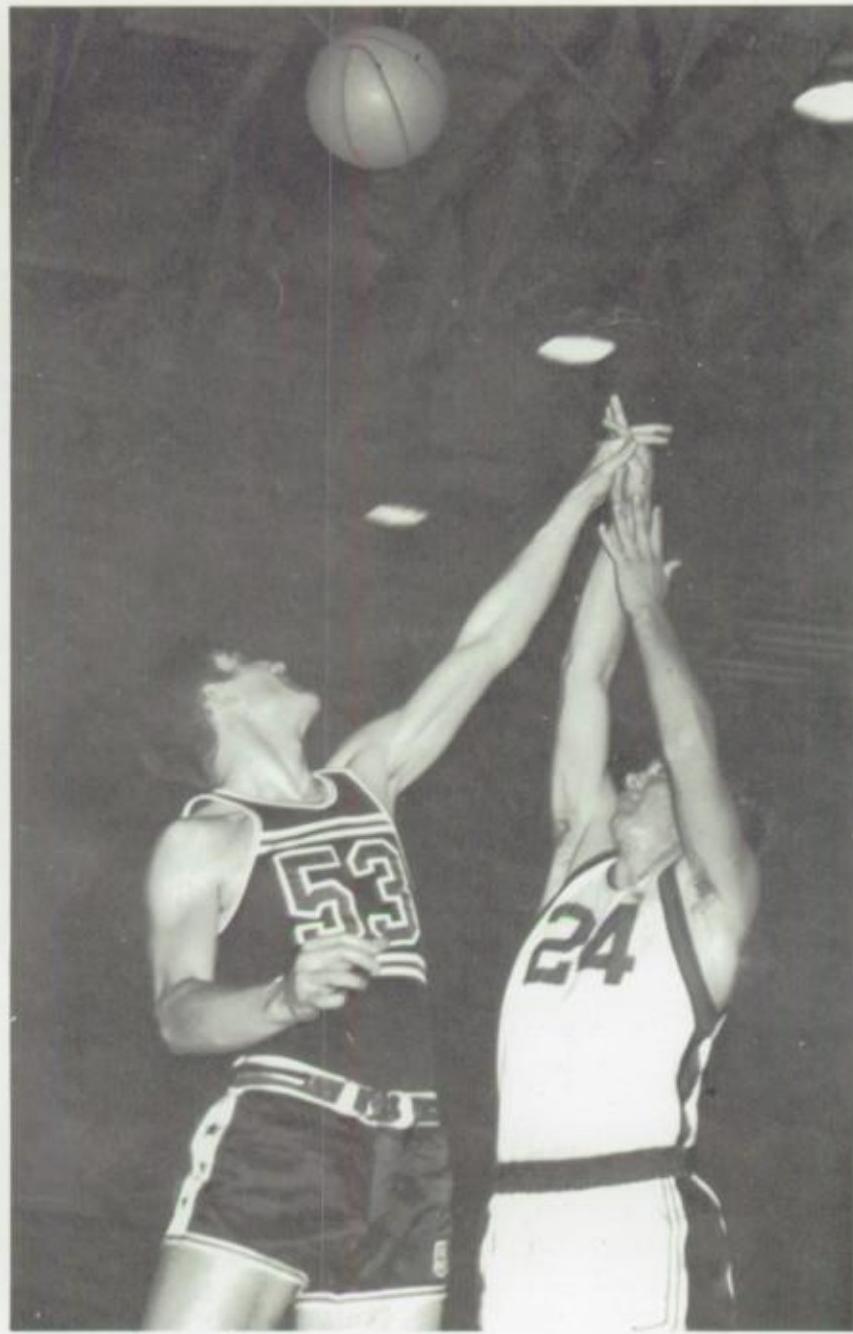

Hard work and high team spirit marked this year's varsity basketball team. Although they had an unimpressive record, the team showed they had the capability to be a good team but just couldn't muster the right ingredients to win consecutively.

Probably one of the reasons for their record was that none of the boys had extensive varsity game experience which is necessary for a good team. However, the starters were constantly pushed by the rest of the team for starting spots.

Senior Mike Donley was voted "Most Valuable Player" for the season and received the award for the best rebounding job.

The surprise of the year was sophomore Ed Williams. He moved up from the reserves to start on the varsity. Ed received an award for having the best shooting percentage of the team.

Next year's team should prove to be completely opposite of this year's team with the experience gained by the juniors.

Less Fouling and Better Defense Highlight Team

Teamwork, rebounding, and defense were the strong points of this year's reserve basketball team. They set a new reserve record by having the lowest fouls per game average (12.1). The team finished the season with eleven wins and five losses, and was runner-up in the league.

In league play the team beat Lincoln Heights, Reading, Lockland, Greenhills, Wyoming, Anderson, Finneytown, Taylor, and Colerain, while dropping decisions to Norwood, the league champions, and Oak Hills.

In non-conference tilts they beat Mt. Healthy and Sycamore, while losing to Hamilton Taft, Fairfield, and Lemon Monroe.

Louis Murray led the team in scoring, field goal percentage, and rebounding. Steve Wimmer had the best free throw percentage, most assists, and most recoveries. Balanced scoring from Harry Howard, Doug Yerks, and Alan Linson contributed to the team's success.

The starters were pushed by a strong bench for playing time. Mr. Grimes, reserve coach, felt that the experience gained by the boys should make the welcome addition to the varsity next season.

Frosh End 8—4 Season With Co-Championship

The freshman basketball team finished a successful season as co-champions of their league. They won eight games and lost four during the season.

In league contests they beat Norwood, 43—36; Lockland, 44—32; Finneytown, 41—34; Cole-rain, 52—48; Anderson, 43—37; and Greenhills, 44—36, while losing to Reading, 57—62; and Wyoming, 30—41.

They won non-conference tilts over White Oak, 43—31; and Sycamore, 34—27. They lost to Deer Park, 29—33; and Glenview, 43—45.

The leading scorers were Stan Kilgour, Ron Penebaker, and Jamie Rouff. Penebaker and Kilgour were also the leading rebounders. Outstanding on defense were Jamie Rouff and Allan Purcell. Mike Brock, Dan Bellman, and Gary Croley were also valuable players and saw a lot of action.

Mr. Tackett, freshman coach, felt that the team improved rapidly during the season and should develop into a very fine reserve team next year.

Cheerleaders Embody Epitome of School Pep

A good cheerleader is a leader not only during game-time, but throughout the school day and the entire year. She is a girl who combines scholastic ability with endless enthusiasm and school spirit.

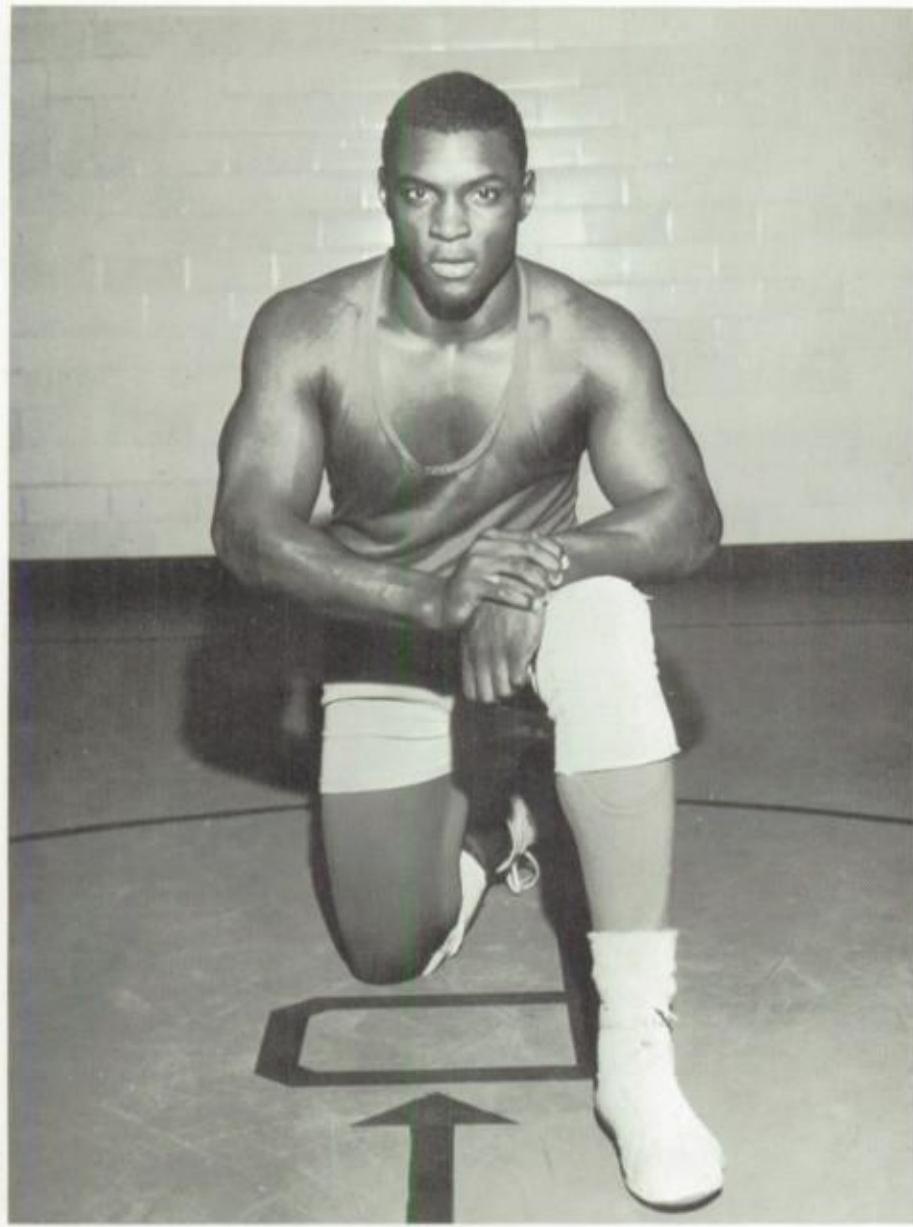

Princeton's three cheerleading squads personified these qualities and proved themselves outstanding in student leadership. They were present at every game, bolstering support and urging the team to victory. However, their activities did not stop there. The squads also made and sold team tags, participated in pep assemblies, and made new vests for their basketball uniforms.

Under the excellent guidance of faculty adviser, Mrs. Hannah, new routines were initiated and practiced. The varsity squad participated in a cheerleading clinic with area schools at Princeton on February 12 and tied with Greenhills for first place.

This year's varsity wrestlers proved themselves to be the best wrestling team in the annals of PHS wrestlers.

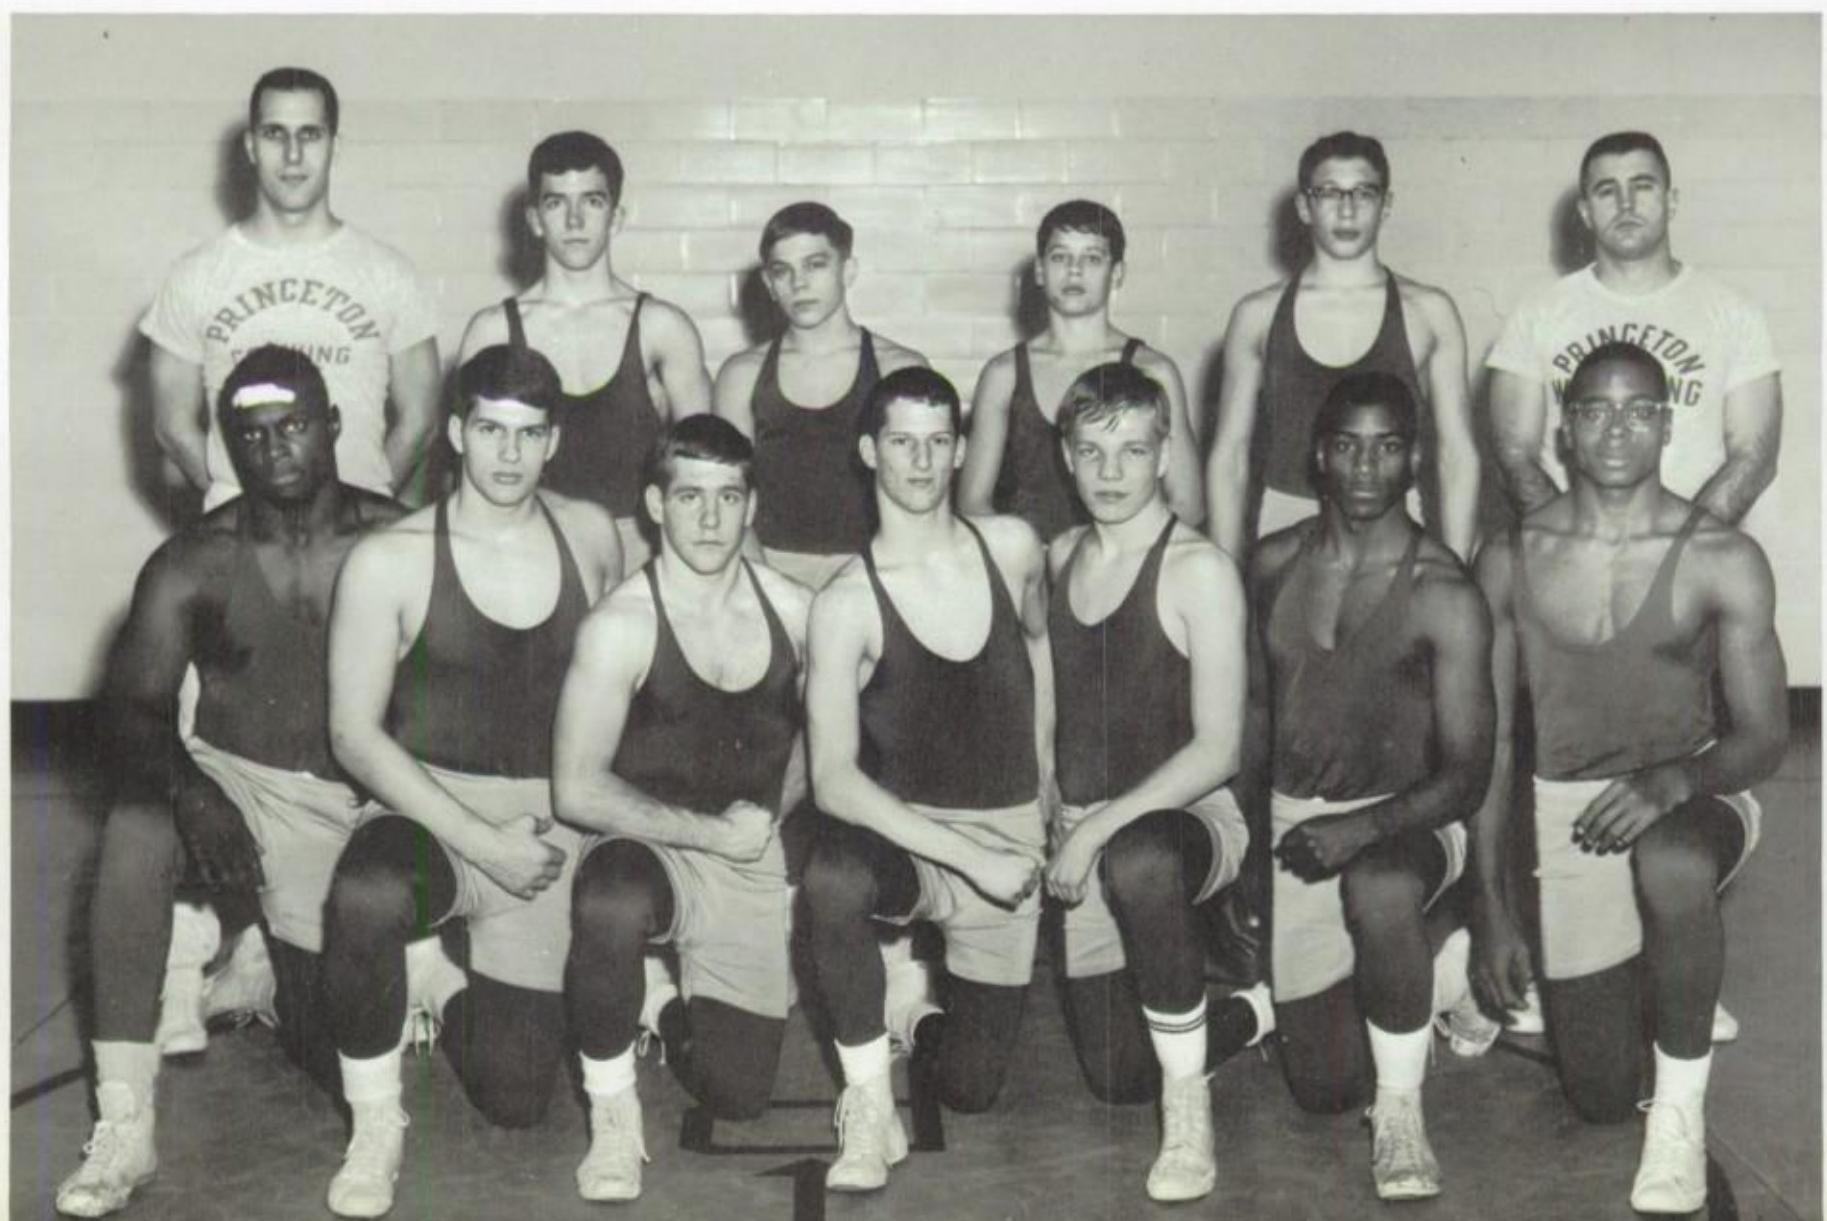

Several firsts were recorded by the team. They were the first Cincinnati team to score in the Fairmount West Invitational; they were the first team in Cincinnati to score in the State Championship; and they beat the district champions twice.

Charlie Gilford, voted "Most Valuable" and considered to be the best wrestler from Cincinnati, turned in a record of 26 wins and 3 losses and placed fourth in the Heavyweight Division at state.

Melvin Craig, voted "Most Improved," won 12 and lost 5. Sophomore Greg Harvey compiled a 17—5 season; senior Mike Whitt had a 16—1—5 record; and Ron Hayes won 15 and lost 5. Robin Braus received the "Superintendent's Award."

The reserves ended the year with a 5—2 record. Since only 4 of the varsity starters will be lost through graduation, the reserves will have an extremely tough time finding a starting spot next year.

Oxford Champs Again,

Skill, determination, and experience aided the Princeton "Fish" during a successful season. Facing the toughest schedule in Princeton's history, the team managed to maintain a record of 10 wins and 2 losses in dual meets.

Losses to Western Hills and Upper Arlington were offset by victories over Oak Hills, 52—43; and Columbus Academy, 56—39.

At the Princeton Diving Invitational, junior Joe Chu placed first; senior Dennis Sexton, second; and sophomore Tim Buckley, fourth.

February 5 brought the Princeton Invitational meet. Competing against tough opposition, Mr. Renner's "Fish" finished fourth behind Upper Arlington, St. Xavier, and Lima Senior, while Joe Chu placed first in the diving.

At the District Meet on March 4, the Vikings scored an overwhelming victory over Springfield North and succeeded in defending their Oxford District Championship. The team scored 104 1/2 points, topping the second place team by 37 1/2 points.

Record Number at State

Eleven boys qualified for the State Meet held at Columbus on March 11 and 12. Of these boys, seven placed in the finals. A total of 26 points was scored, resulting in more than twice the number ever scored previously in a State Meet by Princeton.

During the year, records were set in the 200-yard medley relay by the team of Peck, Beckman, Phelps, and Thompson. Bruce Rickard set a record in the 200-yard free-style, Troy DeBard in the 100-yard backstroke, Marty Honerlaw in the 400-yard freestyle, and Frank Beckman in the 100-yard breaststroke. Joe Chu also set two diving records.

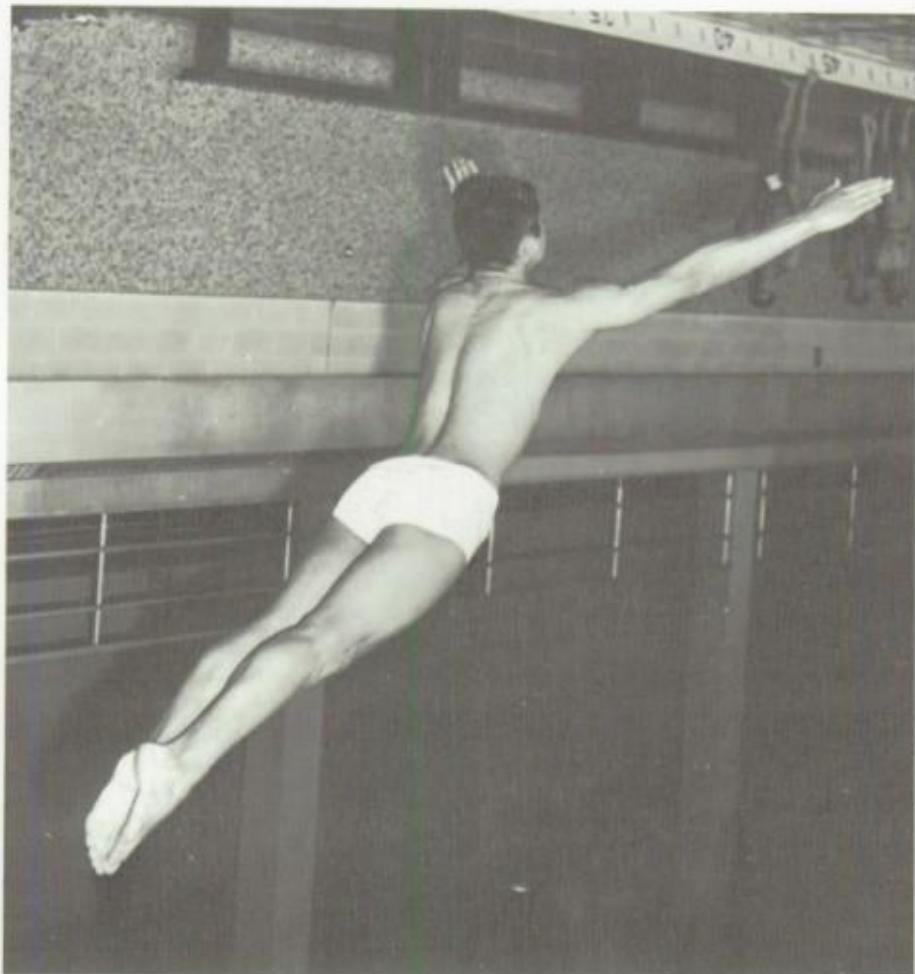

The freshman swimming team, coached by Mr. Converse, showed outstanding improvement this year. Compiling a record of 3 wins and 1 loss, they displayed excellent team cooperation and promise to strengthen the varsity team next year. Outstanding swimmers were Steve Becker, Bob McCaslin, Bob Henderson, and Harry Kushniroff. Skip Tose was the outstanding diver.

Dynamic and Improved Gymnasts Prove Worth

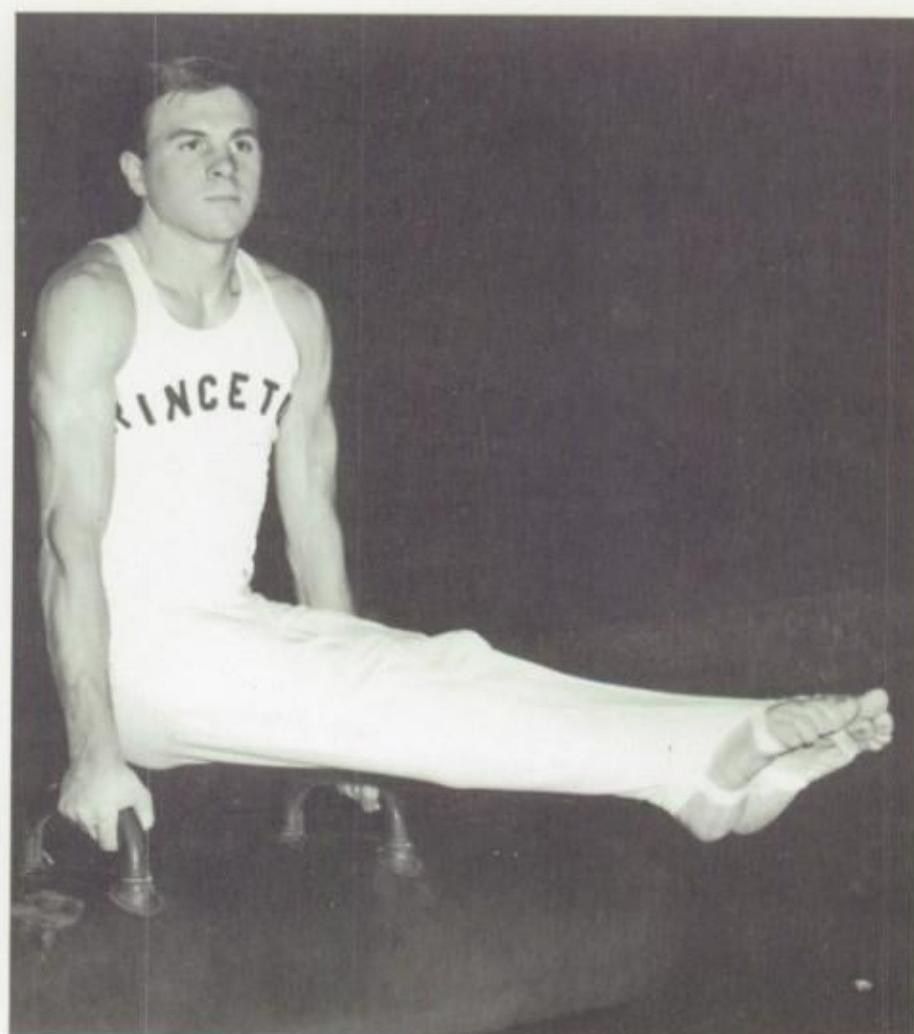

Gymnastics at Princeton is finally coming into the spotlight of recognition. This year's team showed tremendous improvement over previous teams even though the team has only been in existence for four years.

During the year they beat Hamilton Taft and tied with Woodward in an incompletely completed meet. In invitationals involving some of the best teams in the area, they placed third and fourth.

Rick Noyes, Lloyd Hunt, Terry Reno, Jerry Fey, Charles Shircliff, Jim Cramer, and Terry Estercamp were the outstanding boys on the varsity. Broderick Hill, who won third place of the side horse at the Central Y.M.C.A., Mike Carter, Scott Sanders, Pat Connolly, and Jerry Ballinger were the outstanding reserves.

Coach Maccioli feels that the gymnastics team has an excellent future. Princeton will enter a new league next year where there will be stiff competition. In previous years, the gymnasts had no regular league in which to compete.

Mermaids End Season By 'Even-Steven' Mark

The female portion of Princeton's swim team is fighting for recognition. Competition has been increased by the addition of two teams to the schedule and is stiffer than last year's was. By the end of the season, the team compiled a 2-2 record, and the girls had netted a third place in the Princeton Invitational Swim Meet.

New school records were set in every event except one—the 25 yard back stroke. Dianne Huff was named the most valuable female "Fish."

'Cinderfellas' Dust Off

The Princeton varsity track team finished a successful season this year.

They succeeded in maintaining a record of four wins and no losses in dual meets and also placed high in several invitationals and triangular meets.

During the season thirteen school records were broken by various members of the team, and Mr. Salvato, head track coach, stated that this year's team was his "best team overall timewise."

Highlights of the season came when the Vikings became runner-up in the District Meet and also in the HCSL Relays.

Other achievements included a runner-up title in the Harrison Relays and in the Colerain Relays.

Princeton took third place in the HCSL Track Meet. Other third place awards were presented to Vikings after the Fairfield and Princeton In-

Junior Tom Hagenseker proved to be a pleasant surprise when he placed fifth in the State in the discus. This was Tom's first year on the track team.

Carlton Hoyles, a junior, went to semi-finals in District, and Terry Gadberry qualified for the regionals.

The 880 Relay Team, composed of Bill Rowe, Larry Sexton, Tom Hagenseker, and James Willis was outstanding, as was the mile relay team, whose members were Bill Rowe, Mike Williams, James Willis, and Fred Smith.

Nice Weather for Ducks Makes Hardball Softball

The varsity baseball team finished their 1966 season with a record of 10 wins, 6 losses, and 1 tie. The team's main objective was to retain last year's Hamilton County Championship; and although they failed to achieve their goal, they did tie for the runner-up spot.

Despite the fact that the team was for the most part inexperienced, since ten of the members of last year's championship team were lost through graduation, the members excelled in effort and succeeded in retaining their enthusiasm even though nine of their games were called off because of rain.

Mr. Kirkwood, head baseball coach, said, "The team's tremendous teamwork and hustle all but made up for their lack of experience. I couldn't have asked for more from any team."

Mike Young, a junior catcher, was voted this year's "Most Valuable" player. Senior Tom Lent received the "Most Improved" award for the year.

The tennis team got off to a somewhat slow start this season but ended their season in high gear. Their final record showed 12 wins and 5 losses. They missed being the H.C.S.L. Champs by one match, as they had an 8—1 record for the league.

Mr. Gaenge and Mr. Baumhower, this year's coaches, felt that Andy Stewart is second only to Chick Hawley, who was last year's State Singles Champion. Andy went all the way to the semi-finals in District competition before being eliminated.

Both coaches are optimistic about next year because the entire team except Andy will be returning.

Varsity Team Drives To Third in League

Close matches and miserable weather gave this year's golfers a rough time. Their winning streak of never losing a league game in the last five years was broken by their opponents as Princeton lost the league championship for the first time in its history.

The final record for the year was 12 wins, 11 losses, and 2 ties. The team finished third in league competition with a 4—2 record.

They under-stroked Reading, Indian Hill, Lockland, Middletown, Norwood, Talawanda, and Fairfield.

They lost to Hamilton Catholic, Moeller, Hamilton Taft (2), St. Xavier, Greenhills (2), Kettering Fairmont, Wyoming, Walnut Hills, and Indian Hill, while tieing Colerain and Walnut Hills.

Dan Aston, No. 1 on the team, missed being District Medalist by one stroke. Kenny Wimmer was the other top senior golfer. The team as a whole finished fifth in the district.

The reserves were limited in their chance to prove their worth. They lost to Oak Hills and Mariemont, but they beat Reading. The leading reserves were Tim Buckley and Jim Stone.

Rain Fails To Dampen Girls' Showing in Meets

Although rain and wet grounds took their toll on the girls' track schedule, the varsity "Cinderellas" made a good showing in two key meets.

Copping first place—with 53 points—in the Third Annual Princeton Girls' Invitational Track Meet on May 19 and 20, the girls sped ahead of Finneytown, Greenhills, Indian Hill, Sycamore, and Mount Healthy, while they set new records along the way.

New meet records were set by Wilma Dowdy in the standing long jump with 8' 1/2", Bronley Blair in the running long jump with 15' 1", Laura Garrette in the 75 yard dash with 9.1 seconds, and Reva Smith in the 100 yard dash with 11.9 seconds.

Girls' Softball Team Battles to 5—0 Season

The girls' varsity softball team turned in a great year. They batted their way to five straight victories and no losses.

Senior Mike Kirkwood was picked as the outstanding pitcher for the team. Lisa Brandenburg was picked as the best catcher on the team.

The reserves compiled a somewhat less outstanding record as they lost their only contest. However, since it is extremely hard to find a girls' reserve softball team to play in this area, the reserve nine look ahead to years as upperclassmen when they can better show their talents on the diamond.

Uncontested "champs" are: Bev Engel, Barb Parker, Lynn Gale, Margo Allen, Ruth Allen, Rhoda Allen, Pat Mooney, Christy Haffner.

Tennis Rained Out, Keglers Display Talent

Due to the influx and longevity of inclement weather, the girls' tennis team was unable to play any matches this year. They had prepared themselves diligently but had no chance to prove themselves as seven matches were rained out.

The girls' bowling team competed in twelve games this year, as Sharon Cooke had the highest average for the team with a 153 pin average and Sheila Dykes had the highest single game with a score of 185 pins.

PHS Athletic Program Shows Interest, Variety

Helping to round out Princeton's athletic program, intramurals and synchronized swimming offered a diversity of challenges and interests to students.

Intramurals gave Vikings a chance to participate on a class level in sports such as basketball, golf, and volleyball.

Synchronized swimming—a newcomer to Princeton this year—provided an interest to dozens of participants and entertainment to the sell-out crowd of approximately 300 at the Viking swimming pool on May 27.

Theme of the show—Newspaper Articles—allowed imaginative portrayals of such scenes as "Batman and Robin," "Slow Boat to China," "Take Me Out to the Ball Game," and "Blue Tango."

365
DAYS
1961

Throughout the 1965-1966 school year, Student Prince editorial staff members have spent many hours compiling pictures, copy, and layouts to give the students of Princeton their biggest yearbook to date.

These editorial efforts have been complemented by the highly successful campaign of the advertising staff, which has brought more revenue to the annual this year than during any previous campaign.

Advertisers, in their generous way, have played a vital financial role in making this yearbook possible. Offering their services to people of the Princeton City School District throughout the year, they have also contributed significantly to the Student Prince's treatment of life here 365 days a year.

Acknowledgements

The Student Prince Staff would also like to thank the following people: Mr. Vic Taft for helping us decide upon the theme for our annual; Mr. Carl Vorpe, representative of the American Yearbook Company, and Mr. Bob Blanton, correspondent for the American Yearbook Company, for all of their assistance. We would also like to extend our thanks to the homeroom teachers for their patience and the members of the Princeton High School Staff and of the Board of Education for their cooperation.

Impressive Prom Court comprised juniors and seniors (left to right) C. Sullivan, R. Clark, L. Gale, L. Lockard, R. Johnson, C. Brandenburg, J. Hunley, M. Donley, Princess B. Derickson, Queen J. Ahlers, King R. Parks,

Prince S. Brockman, C. Sullivan, D. Aston, B. Rickard, B. Streight, P. Marks, B. Wayman, T. Overbey, and R. Munaflo.

Eager freshmen accept tickets, looking forward to the day when they will waltz with royalty on the dance floor.

'Arabian Night' Sets Tone for May Prom

Winking lights atop the bandstand and sprawling Arabian cities and caravans shadowed in blue upon the Princeton gymnasium walls set the enchanting scene for the 1966 Junior-Senior Prom—"An Arabian Night."

Throughout the evening of May 7, more than 300 couples enjoyed the music of the Keynotes while they kept an eye on the vacant thrones at the far end of the floor from the bandstand and wondered who would ascend the platform of honor.

A hush settled upon the dancers at midnight, and members of the court were introduced. As they promenaded the length of the floor, they built up suspense until the big moment arrived—the announcement of the Prince and Princess and the King and Queen.

Opposite page: Queen Janell Ahlers and King Randy Parks acknowledge the honor paid to them by senior classmates.

Princess Brenda Derickson and *Prince* Steve Brockman wear their symbols of royalty with honor.

Mellow music sets the mood for smooth and easy steps on the dance floor.

Prom sponsors Mr. Stock and Mrs. Longman accept tokens of appreciation. Keynotes contribute to an enjoyable evening. "Refreshments?" "Yes, there are plenty."

Blessing before dinner is offered by senior Tom Lent, Princeton's exchange student to Chile during the summer of 1965.

Honor Paid Scholars

Gold letter days in the lives of Princeton scholars—Wednesday, May 25 and Friday, June 3—brought recognition to students who achieved academic distinction throughout the school year.

During the first Academic Banquet, held in the dining room on May 25, 53 outstanding scholars were honored, as approximately 250 parents and staff members applauded their achievement.

Senior Steve Frasher received the National Honorary Merit Scholar Award. Carl Kleemann, senior, received the National Merit Finalist Certificate, and senior Melvin Craig was presented a certificate as a Finalist in the National-Achievement Scholarship Program.

State and district scholarship test finalists were also honored.

Carl Kleemann was first in the state in senior social studies, and sophomore Richard Becker was third in the state in chemistry.

In first year French, Ronald Munson, ninth grade, was third in the state; Susan Owen, fourth; and Chris Orlick, sixth.

McCaslin were honored for tenth place and for fourteenth place, respectively, in the state Latin test.

Honor was also paid to the top students of each grade within academic subjects such as English, foreign language, mathematics, science, and social studies; and seventeen winners of the Princeton City School District Scholarship were announced.

At the annual Awards Assembly, on June 3, additional recognition came to outstanding students by academic, athletic, and service awards during the morning assembly for sophomores, juniors, and seniors and the afternoon assembly for freshmen in Matthews Auditorium.

Introductory observations included in the awards booklet distributed that day summarize the purpose of both events: "We are here to honor those students who have given of their time and energy the required efforts for academic excellence. Our most sincere congratulations go to all recipients. We hope your achievement will be an inspiration for others to succeed."

As Outstanding Girl Athlete, Vonda Wagner accepts with pride the trophy presented by Miss Jacobs.

Emcee Scott Buttrey proves himself agile with a top hat and cane.

Fun Sets the Stage at Senior Night Club

Plenty of fun was the keynote of the Senior Night Club, held at Princeton's dining room on Saturday, April 2.

The program moved along quickly with Scot Buttrey as emcee and Jerry Chance as his assistant.

Among the ten acts, which kept the evening lively, were the folk singers Margo French, Judy Thomas, and Carol Dimond; the novelty tunesters Mike Donley, Roy Clark, Steve Frasher, Jim Cramer, and Bill Vearil; comedians Mike Matre and Don Clark; and satirists Charlie Klute and Alan Hayes.

The "Soul Sisters"—Linda Randolph, Vicki Ross, Carol Davis, and Jeanette Garrette—entertained with smooth "spirituals"; Chris Brandenburg, Rick Matussi, and Mike Brueggemann formed a snappy combo; and Dottie Kushniroff and Chris Brandenburg teamed up for fancy steps in the Charleston of the "Roaring Twenties."

Other singers for the evening were Sheila Turner, Cheryl Parrish, Joanie Brown, and Stephanie Parrish, with a medley of "finger-snapping" tunes; the Garrette Sisters—Lolly and Jeanette—and soloist Sherri Durham, with an assortment of popular hit tunes.

Varied Program Marks Dedication of New Wing

Long months of planning and of constructing new facilities achieved "full cycle" and offered citizens of the Princeton School District a chance to see the varied program of education available here when the official dedication of the new wing was held Sunday, May 22, from 2:00 p.m. to 5:00 p.m.

Following the formal dedication ceremony, which included addresses by Mr. Troy C. DeBord, representing the School Board, and by Dr. Robert E. Lucas, superintendent, an "open house" allowed visitors to see the 46 classrooms and laboratories and eight other special areas which comprise the "new wing."

To complete the program, the Viking Band, directed by Mr. Charles R. Atkinson, and the Concert Band, directed by Mr. Samuel D. Reynolds, presented an hour-long concert outside of Matthews Auditorium.

Representing the School Board, Mr. Troy C. DeBord outlines achievements of the Princeton City School District.

Reading laboratory, directed by Mrs. McGinley, is a popular place for visitors.

Senior Sandy Haynes joins the Viking Band with a medley of songs at outdoor concert.

All Await Graduation with High Anticipation

The evening of graduation—eagerly awaited by seniors—brought their sense of anticipation to a peak.

While awaiting the formation of lines for the procession, they joked and kidded and helped each other adjust caps and gowns; but inwardly they all looked toward the moment when their name would be called and they would step upon the stage to receive their diploma from Judge John W. Peck, president of the Princeton School Board.

Their anticipation was shared by others.

Parents, in particular, joined by relatives, looked toward the joy of seeing their children officially declared "graduates."

Faculty members, too, responsible for arrangements, huddled in last-minute conferences to make sure that events would proceed smoothly.

Finally, the orchestra, directed by Miss Carol Cohan, played "Pomp and Circumstance"; and graduates were on their way to designated seats in the Landmark Baptist Temple.

Color bearer (right) leads seniors into Landmark Baptist Temple.

Last-minute adjustments help seniors "square away" for the procession.

Orchestra members set the tone musically for an impressive procession.

Concentration is the key word when Mr. Gaenge, Mr. Brix, and Mr. Stock review arrangements.

Almost all eyes are upon the graduates as they enter the hall.

More than 300 graduates present an impressive sight at beginning of ceremonies.

Grads Leave Princeton Prepared for Future

Comprised of 308 members, the graduating class of June, 1966, departs from Princeton prepared to enter a variety of undertakings.

Many graduates—approximately 50 per cent—will seek further education at 52 colleges in more than 20 states. Others will enter business and trades. Still others will join the armed forces.

Citing the ever-expanding training which graduates of 1966 have received, Dr. Lucas recalled Princeton's goals of "developing basic skills, of instilling a desire to learn, and of fostering respect for America and for law and order."

Also pointing to the value of education at Princeton, Steven Frasher, class orator, called this "the class that has been better prepared than any other . . . to inherit responsibility for the world and the future."

Judge Peck proudly presents diploma to his son "Chedy."

Symbolic red carnations and girls' expressions typify emotions at graduation.

Cloudburst fails to dampen spirits at end of ceremonies.

Seniors, directed by Mrs. Joan Meier, present the beautiful "Give Me Your Tired, Poor."

Joy finds conflicting expression.

As mid-night draws near, Cinderella Carol Dimond would like to dance all night with Prince James Scholle, while other lady guests look with envy.

Fairy Godmother Sharon Tyahur asks children in the audience to "wish hard" for Cinderella during young peoples' play on May 28.

World News—1965

1 Humanitarian Dies—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

2 Queen Speaks—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

3 Miss Universe—The reigning queen of beauty in the universe during the year was a representative from Thailand.

4 Bosch Returns—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

5 Wins in Run-Off—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communistic candidate corroded the popularity of the 71-year-old president..

6 Agrees to Cease-Fire—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

7 Abortive Coup Fails—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet
